

ITL CANDYFLOSS WORLD SMILE DAY/KID'S MUSIC DAY

Session 2021-22

Day/Date: Friday/1-10-2021

"Smile, it is the key that fits the lock of everybody's heart".

World Smile and Kid's Music Days are celebrated on the 1st Friday of October, every year. The idea was coined by Harvey Ball who created a Smiley Face in 1963 to spread simple joy & love to everyone. If we all make the effort to do one thing to make each other smile, we will all be grinning in no time.

So, keeping the words of Harvey in mind, little munchkins of ITL CANDYFLOSS celebrated World Smile Day by making beautiful smiley faces and spoke few lines about what makes them smile.

Kids participated with great zeal and learnt that a smiling face knows no politics, no geography and no religion. Everyone can make a difference by just caring and being compassionate and to pep up kids played different musical instruments and sang songs of happiness with big smiles wearing self-made Smiley masks displaying creativity and spreading happiness & peace in everyone's hearts.
