Session 2021-22

Day/Date: Friday/ 10th December 2021

A right delayed is a right denied.”
Martin Luther King, Jr.

This year with 72nd anniversary of the Universal Declaration of Human Rights , ITL Public School enthusiastically celebrated this day with the theme “Stand Up For Human Rights”.

Students were taught about human rights irrespective of caste, religion and gender. The 'card making activity ' and 'slogan speaking activity' took place where students participated with great zeal. All the children were motivated to practice and stand for their rights in their daily life.
