

ITL CANDYFLOSS
NATIONAL YOUTH DAY
Session 2021-22
Day/Date: Wednesday/12-1-22

"Be fearless and PROUD in being TRUTHFUL, REASONABLE and KNOWLEDGEABLE. Live like Brothers, and march on the Road to PROGRESS, PROSPERITY and PERFECTION."- one of the many teachings of the Great Monk and Philosopher 'Swami Vivekananda'.

Reflecting his ideology, little ITLeens explicated their love and admiration for their classmates through a heart touching activity 'Someone I Admire' whereby students described the virtues and other attributes of their fellow student they are fond of. The celebration also contained students enthusiastically revealing their dream for their future self 'What I Want to Be' with a speech propped up by a drawing, made by each of them.
