

# ITL CANDYFLOSS

International Energy Day Report

Session 2021-22

Day/Date: Tuesday/ 14 December 2021

## "SAVE TODAY, SURVIVE TOMORROW"

International Energy Day is observed on 14th December globally, and this year, with the theme "Azadika Amrit Mohatsav: Energy Efficient India and Azadika Amrit Mahotsav: Cleaner Planet". Children of ITL Candyfloss marked this day passionately in their hearts for it began with pep talk given by teachers which aimed awareness on conserving our energy resources, and, committed the words of honor through "Sustainability Pledge". The session continued with Poster Making activity which showcased their creativity on consumption, scarcity and impact of energy to our ecosystem.
