

# ITL CANDYFLOSS

## Lohri & Makar Sakranti Report Session 2021-22

Day/Date: Thursday, 13th January 2022

On the auspicious festival of Lohri & Makar Sakranti, ITL Candyfloss celebrated the commencement of harvest season with great enthusiasm as students were in an upbeat mood and immersed in the festive spirit by presenting folk dances and folk songs. The little ITLeens dressed up in the traditional attires of different states depicted varied forms of Makar Sakranti known as 'Pongal', 'Bihu', 'Maghi Sakrant' etc.

We hope that experiencing different aspects of the festival, have encouraged our learners to be open-minded, tolerant and respectful towards each other, embrace differences and cherish similarities in their beliefs and cultures.
