

ITL CANDYFLOSS

73rd Republic Day Report

Session 2021-22

Day/Date: 25th January-Tuesday,2022

Every year Republic Day is celebrated in India with zeal and enthusiasm. This year we at ITL Candyfloss enjoyed virtual Republic Day Parade by watching regional dance performances by the students. We also made a themed book on "Know your India" which contained drawings/pictures of National animal, bird, flower, and fruit. But that's not enough, Our Republic Day is not complete without National Flag. Thus, our little kiddos showing patriotism towards their nation completed the Flag craft using Ice creams sticks.

Our Nation is our Pride, and these munchkins expressed their excitement and that feeling to do something for the country says it all.
