BASANT PANCHMI also known as Saraswati Puja, is a festival that marks the preparation for the arrival of spring & the start of preparation for festival Holi as well which takes place about forty days later.

ITL Candyfloss celebrated the day with immense happiness and pleasure by encouraging the students for chanting Sarawati Shlokas and singing Saraswati Vandana. The little ones were apprised of the symbolism of Goddess Sarawati. The students, all dolled up in yellow attires performed Sarswati puja during the virtual sessions. They also enjoyed stories associated with Basant panchami.
