

## Linguistic Learning

We enjoy stories and they create magic and sense of wonder. Try finding the magical words and your favorite letter in the story.

## Bodily-Kinesthetic Learning

We learn through play and we enjoy doing it every day. We are sharing few indoor games to keep you busy with your family .

## Logical-Mathematical Learning

Childhood Timeline :-

Make a timeline by sorting, selecting and pasting picture of any one event or memory from each year. (At Birth/1year/2years/3years)

For the logical learners, we will be sharing activity sheets based on numbers

## Musical Learning

Have fun listening and singing to your favorite times. We will share the links and the podcast for your reference.

## Intrapersonal Learning

Enjoy doing things independently and take pride in it.

- Eat your food on your own
- Try cleaning your room yourself
- Try to wear your clothes on your own

## Naturalist Learning

We enjoy learning from nature and things around us. Keeping in mind the naturalist learners ,we have designed family stone cards.

## Bodily-Kinesthetic Learning

We learn through play and we enjoy doing it every day. We are sharing few indoor games to keep you busy with your family.
