WINTER HOLIDAY HOMEWORK (2020-21)

CLASS - III

Dear Young One

Namaskar!

We somehow remained connected though missed seeing you face to face. You made the school going by joining and connecting online. When you participated, interacted, smiled, we all forgot that we haven't met you or it is the covid time keeping us isolated.

You brought normalcy in our lives and also a lot of joys.

Observe and discuss with your parents the wonders of flowers opening, new leaves emerging, sun rising, flock of birds taking off or coming back to roost, phases of moon, changing night sky, (whenever clear), cause of fog /smog, etc.

Discover the childhood of your parents and grandparents, ask them stories of it.

You will be mesmerised with the change in play time activities.

And do read stories, a lot of stories and draw them out on paper and share later.

We are looking forward to reconnecting already.

Love and lots of it

Oh, before, I sign off, Merry Christmas and Happy New Year to your family and you.

Do not forget to ask Santa to send Corona away!

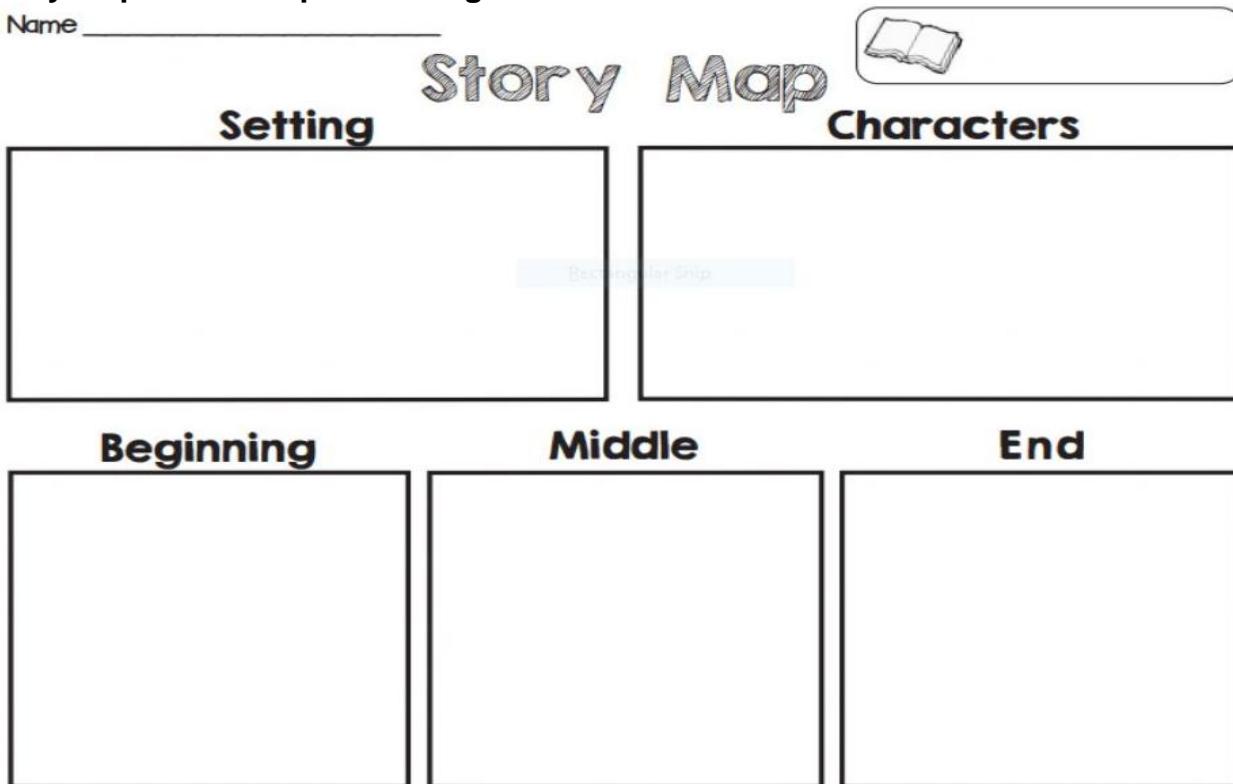

Your class teacher

ENGLISH

1. Story Map

Read the story 'What Other People Think' from My Stories Omnibus Book (Part 2) and make a story map of the chapter in the given format on an A4 size sheet.

Name _____

2. Amid these uncertain and fear-laden times reflecting on gratefulness might help to calm us, reduce fears and expectations. Write a paragraph on 'I am grateful for' on an A4 size sheet.

Or

One day you go outside and all of the grass and trees have turned into an ice cream sundae world. What is the first thing you would do? On an A4 size sheet write a story about how you would spend the day. Draw a picture as well.

3. Short Reads – Read the mentioned Short Read Cards and do any two activities on an A4 size sheet.

- How Sun, Moon and Wind went out to Dinner- Read the story card. Draw Star and Moon together in the sky. Write a thank you note from the Star to the Moon for bringing her a delicious dinner.
- Hans The Helpful- Read the card carefully. Imagine you were Hans. Draw a table to show how you would have carried each item. Make two columns. In the first column write the name of the item and in the second column, write how you would have carried it.
- Losing Reuben- Read the card carefully. Imagine you are Reuben. Describe your day using Present Continuous Tense. You can draw pictures too.
- Spider Poems- Read the card carefully. Draw a spider in its web. Write a short poem about it. Try to make the lines rhyme.

Start with this line:

One day I saw a spider _____

MATHEMATICS

Activity 1

Get 4 bottles of different size and shapes. Put them on the table with water. Find out the capacity by using the measuring beakers from the Math kit. Check if the capacity is in l or ml. Record your information in the table given below.

S. No.	Types of Bottles	Capacity of bottle (in l)	Capacity of bottle (in ml)
