

श्री Venkateshwar International School

Sector – 18, Dwarka, New Delhi-78

Class- II

April 1 – May 29 , 2020 Lesson Plan

With schools across the country closing temporarily to contain the spread of the coronavirus, SVIS plans to provide day-wise structural work to get Grade 2 students excited about learning at home. We will try to make every effort to ensure that instructional continuity is not disrupted by providing educational opportunities at home using all available resources to engage in distance learning. It doesn't replace school, but offers a great alternative as we are concerned about our little ones safety amidst Coronavirus outbreak.

"Our commitment is to protect the health of our community and keep our little ones engaged with productive work"

Some key points to pay attention to-

- **Follow a time-table:** At home, there are no bells ringing to tell students when it's time for their next class. But apportioning time and sticking to plans are valuable life skills kids can learn while school is cancelled. Parents can see this as an opportunity to help kids become more self-regulated and help them prepare a time-table.
- **Talking about the current crisis:** Explaining the current crisis and the challenges it presents while enlisting children's help in making the best of a bad situation is important.
- **Screen time concerns:** Research suggests that the quality of the interaction makes a difference. Using tech to create, rather than to passively consume, can encourage creativity and problem solving, but a balanced mix of tech and non-tech activities is best.
- **Keeping active:** If staying indoors is a safe option, try imitating dance moves from a video to stay active. Sign up free at [GoNoodle.com](https://www.gonoodle.com) for some fun dance moves and exercises.
- **Maintaining a record of the home assignments:** As per your convenience, maintain a record of the given home assignment either in a notebook or print out sheets.

DATE & DAY	SUBJECT	TOPIC	TASK OF THE DAY	RESOURCE
<u>April 1, 2020</u> <u>Wednesday</u>	English	<u>Unit- 1 Growing up with Moyo</u>	<ul style="list-style-type: none">Read pgs. 6, 7 and 8 of My Learning First DictionaryHave vocabulary fun. Enact or draw that word if you can while reading the meanings.Choose any six words from these pages and frame sentences.	https://drive.google.com/y3kqbKtJbWiK6jVtBN
	Math	Recap of Place Value (ones, tense and hundreds) Counting from 101 to 200.	<ul style="list-style-type: none">Recap of Place Value (ones, tense and hundreds) through a place value song. Go to the given YouTube link to revise the concept.Write counting from 101 to 200 <p>.
