PTM feedback A big thank to all SVIS team for online classes. It is a wonderful experience to attend PTM through online sessions. I would like to appreciate each teacher to make efforts for the success of online classes. Especially Mamta ma'am and Sarita ma'am

Rehan 12:52 PM

The concept of virtual ptm is awesome. We highly appreciate the efforts put in by all the teachers. Thank You

Kirmali 11:39 AM

Very much appreciable and thanks to teacher for helping the kids

Jaideep 11:20 AM

Heartful gratitude mam for all your hard work and dedication. Thanks for all the support and care for all kids

Aansh 1:55 PM

It was nice meeting mam through ptm. Teachers are doing a great job for making online sessions interesting and fruitful. Thank you

Jigisha 11:33 AM

We're very much satisfied with online classes and efforts of all the teachers. It's really taking it so much more appreciable. Thanks mam always there for them

Sagar 2:54 PM

Heartful gratitude ma'am for all your hard work and dedication. All the teachers are really very humble and kind and always ready to help the students even during this crucial period. Thank you so much ma'am for everything.

It was a wonderful experience interacting with the class teacher. We appreciate your efforts in being so much helpful and interactive so that without being hesitant, children can share their problems with you. Looking forward to meet you again!!

line classes is the future as it supports continuous learning and facilitates a habit in the kids to be disciplined in order to get the best of education at their own pace.

line classes help inculcate values of trust, self-discipline, responsibility and motivation. Online classes will create a good environment where children as well as the teachers would be able to work with agility.

could further suggest the school to have hybrid teaching module where you can have few days online and a few days in the school.

the very start, I would like to thank Sarita mam and all the teachers who have worked so hard for making online classes possible and are teaching so beautifully to all the children's with such a patience all they are feeling like at school, they all are very happy to study from me and getting all the knowledge as we are expecting them to get in a school, thank you very much all the teachers and the school for making these wonderful online classes for our children.

line classes are really good as we've seen all the teachers and all the students, so patiently involved in the classes, everybody is taking a lot of interest and a lot of work to make this possible, and we are seeing teachers doing it.

I am very much excited to meet you all the teachers and the school for making these wonderful online classes for our children.

Thank you Mamta and all Teachers.

Thank you for your involvement and support in these challenging times

Thank you Mamta and all Teachers.

Thank you Mamta and all Teachers.

Thank you Mamta and all Teachers.

And I would like to thank Sarita mam for this beautiful PTM so glad that our children got to meet teachers who are our Cc Warriors thank you mam for cooperating among yourself as our children thank you mam we are so excited to meet you in the school and to talk face to face

Children are also participating in inter school competition that is nice for them for subjects like science Hindi English and etc.

Again thank you mam for this beautiful and very cheerful PTM thank you for giving us information about certain things

Thank you Regards Suruchi Srivastava

have seen all the teachers and students, so patiently involved in the classes, everybody is taking a lot of interest and a lot of work to make this possible, and we are seeing teachers doing it.

It was one of our desire or rather requirements to know the people environment where my child is intellectually growing. It was not previously possible due to the traditional way, now the online classes have given us this opportunity where we can also hear and see the kids.

Online classes is the future as it supports continuous learning.

It was a nice experience with mam and she was polite and it was quite satisfied

Bhushika 10:10

It was nice talking to you Garima Mam. You always check about student's concerns and ready to solve them. The efforts being put by you can be clearly seen during your online sessions. You give equal chance to everyone to read and answer in classes. Thanks for your support and guidance.

Deeyash 10:21

The PTM meeting was conducive and fruitful. It was a nice to reflect upon the child's progress and area of development. Might I add that you all teachers are doing a fabulous job in keeping the children queued in beautifully during all your sessions. It's a huge thing when children look forward to studies and you have contributed a great deal in that. Thank you Garima ma'am and all the teachers for your support.
