Dear Parent

The session 2020-21 has been a challenging session for all. The school, its teachers and parents have stood strong to create and provide best opportunities to the students in this new normal. Like every year, the school is going to follow a rigorous procedure to allot stream to your ward and he/ she is once again reminded that EARLY TERM OPTION (ETO) for Class XI (2021-22) will be based on his/her performance in

Class IX Overall Final	-	30%

The school has limited number of seats in each stream and thus is forced to set cut offs for every stream. We advise all students to take the Pre Boards & ETO seriously. Please refer to circular No. 26 for Preboard 1 and Preboard-2/ETO datesheet.
