

# Venkateshwar International School

Sector-18, Dwarka, New Delhi-78

Ref: No. SVIS/PC/2020-21/69/IX

March 13, 2021

Dear Parents  
Namaskaar!

**Subject: Eligible students of class IX to undergo special blended training for Science, Math and MAT for Mukhyamantri Vigyan Pratibha Pariksha 2020-21, refer to the circular from DoE**

SVIS is registering all students who scored above 60% in VIII (2019-20) for **Mukhyamantri Vigyan Pratibha Pariksha, earlier called JSTSE**. Please encourage your ward to prepare Math, Science and Mental Ability well.

SVIS famiy is proud of the benchmarks set by previous batches in JSTSE, securing the best ranks and highest numbers of selected students all across Delhi during the past many years. We hope to see newer benchmarks of excellence and diligence to be set by the current Class IX.

**Date of Exam: March 28, 2021 Sunday in two time slots**

Paper 1 MAT - 100 Questions to be attempted in two hours

Paper 2 Scholastic Aptitude Test having PCMB - 100 Questions to be attempted in two hours

**Stage 1** : It will not have negative marking.

**Stage 2** : No info so far

First Round of Training was held online for select group of 36 students by Venkateshwar Academy faculty

Second Round of training by SVIS will be held for a group of 125+ students, those with 80% and above in class VIII by specialists from SVIS

**Both the trainings being free of cost.**

**March 15-20 Online classes in one group**

**Sunday, March 21: Practice Paper**

**March 22 - 25 offline classes**

**March 26- 27 online tests, answer key will be shared and doubt clearing in Whatsapp group.**

**All days, all five classes of 1 hour to 1 hour 20 minutes for MAT.**

(Offline Classes when held will be divided in smaller batches with Covid SOP in place.)

**Timing for special training**

8 :10 am - 9:10 am - Mr Gitesh Physics Specialist

9:10 am - 10:10 am - Mr Sarbjeet Chemistry Expert

**Break**

10:30 am -11:30 am - Ms Taranjot/ Ms Jasleen Math Specialist
