# Its All About Summer

## Roll and Read

After a weeklong travel to different places, Josh has some stories to share.

Directions: Roll a dice and read the story. Continue playing until all stories have been read. If your dice rolls at ③③, then try to create your own travel story and depict it through pictures and few words (blends and long vowel sounds) done so far.

I met a bee. The bright bee,  
sat on the blue flowers. I tried  
to trap it in my net, but it flew  
away.

I had a wish to swim with a fish.  
Mom and I hopped on the ship  
to see a lot of fish. The ship  
stopped and I hopped off to  
swim with the fish.

I stood under the plum tree.  
Pit! Pit! Patter!  
The rain drops fell on the grass.  
Bugs and ants had fun and  
splash. The slow slug ate a  
small plum.

I got a cute cat. Its name is Jack.  
My cat likes to sip milk from a  
grey glass. It likes to hide in my  
hat and I like to get its pat.

We went to Spain. We flew in  
a plane. We rode on a train.  
In the boat, we saw a crane.  
We went near and went far,  
in the bus and in the car.

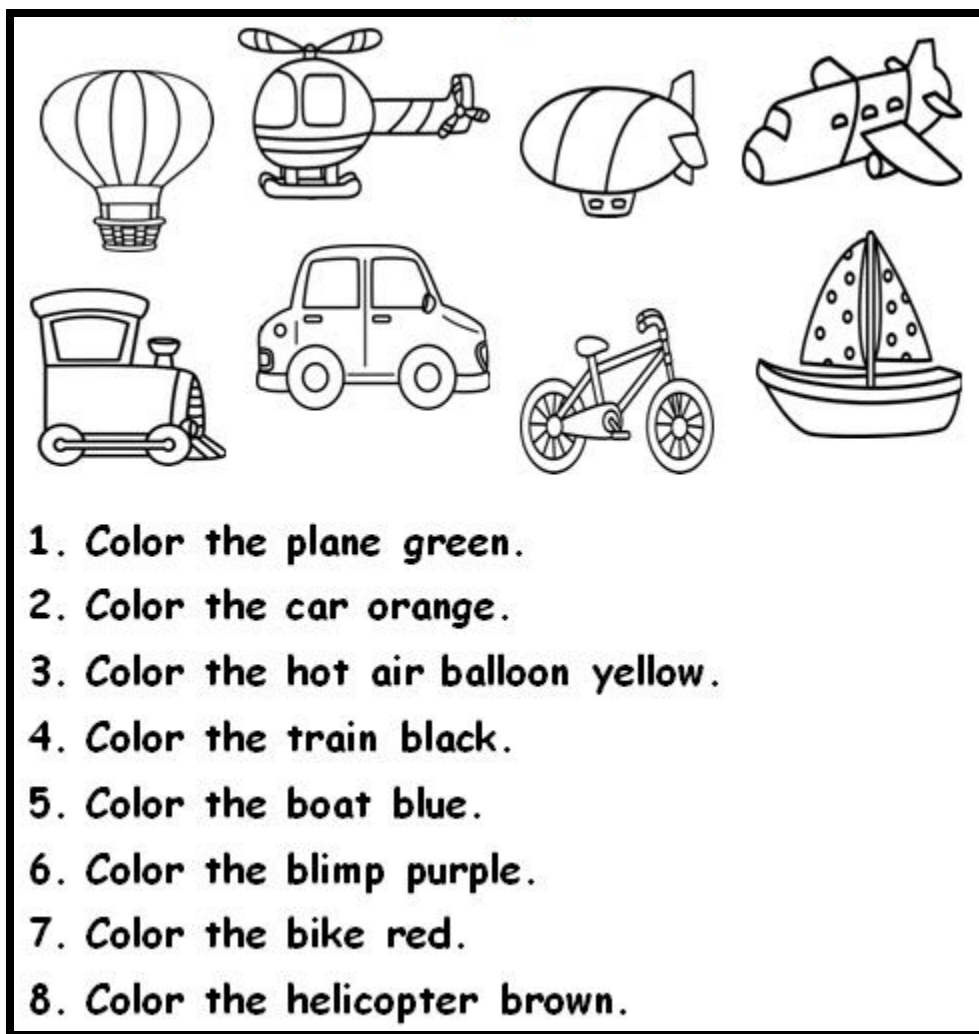

**Time to share your  
travel story**
