### STRUCTURAL SAFETY CERTIFICATE

This is to certify that the class room building of "The Espee Global School" situated at Iqubalpur road, Puhana, Roorkee Distt Haridwar, Uttarakhand through M/S Rai Bahadur Mathura Dass Education Foundation is structurally safe and earth quake resistant.

I have inspected the site on 10th June 2016 and found that the building is constructed in frame structure & as per drawing, structural design which incorporate the provision of structural safety given in relevant I.S. Codes & National Building Code 2005.

All provisions regarding Earthquake have been accounted for as per relevant codes IS1893 (Part 1)-2002 (Fifth Revision), and IS 13920-1993 (reaffirmed 1998).

## Authorized Structural Engineer

Registration No. DoH-UK/ G-I/ ASE- 4 /2015

Certified that Sri Rajeev Bansal, 484, Niranjani Akhara, Mayapur, Haridwar is hereby empanelled with the Department of Housing, Government of Uttarakhand, as Authorized Structural Engineer (ASE) Grade-I.

The empanelment will remain valid till May, 2018 and will be renewed every three years thereafter.

The ASE is authorized to prepare detailed structural design and drawings for buildings and projects submitted for approval, their supervision and issuance of certificate regarding the structural safety of buildings as per the scope of work as defined in Grade-I and as per prevailing norms and bye-laws.

All relevant drawings and documents submitted for approval, shall be duly signed by the ASE along with seal bearing the Registration No.

The empanelment will be cancelled permanently or for a specified period of time, if at any time, it is found that the ASE has shown unprofessional conduct or has engaged in fraudulent practices.
