

REPORT ON CAREER WEBINAR

A career webinar was held on 24th march for classes XI & XII on Stream selection , career choice and New age careers by the very renowned career Mr Jitin Chawla .

Mr Jitin Chawla , an MBA graduate from one of the top most business institute of India – faculty of Management studies (university of Delhi). He is the founder and Director of North India’s top most career counseling and study abroad firm , centre of Career Development.

First, he discussed about the scientific way of choosing a career i.e. based on interest , aptitude and personality . Next he spoke about the new emerging careers that we have today , like fisheries sciences , kinesiology etc . After that he focused on personality traits e.g. perseverance needed to achieve one’s goals. Finally , they spoke about study abroad options that students can contemplate upon .

Overall the session was very interactive and a very informative one.

Feedback of few students :

Aditya Mishra – “ The webinar was very nice and helpful . The career options that the counselor gave me were not very commonly heard of. It gave me many different and innovative career options. The counselor also did some fun activities which helped me increase my general knowledge . Overall the experience was very nice”.

Shreya Srivastav – “ Webinar was really helpful and sir provided us information about the new emerging careers which I didn’t know about”.

Sheryl –“ It will help me to thik wisely of my future . I am very happy and grateful for today’s webinar . It was very interactive . It answered almost all my queries and was very factual . It was a great experience”.
