Webinar on Photoelectric Effect BY Prof H.C. Verma

Learn from yesterday, live for today, hope for tomorrow. The important thing is not to stop questioning.

Albert Einstein

Students of classes X and XII attended a two-day webinar organised by Indian Association of Physics Teachers (IAPT) in association with Shiksha Sopan, Kanpur on 7th and 8th June 2021. On the first day of this programme, all the students got an opportunity to listen to **Padma Shri Professor H.C. Verma** (world famous writer of 'Concept of Physics'). On the second day of the programme students learnt to perform innovative science experiments. The students enjoyed the two-day programme and got an in-depth knowledge about the photoelectric effect and the contribution of great scientist Albert Einstein in various field of physics. Overall, it was a great learning experience for all the students.
