

INTERACTIVE SESSION - ALL ABOUT NDA

"The best preparation for tomorrow is doing your best today." — H. Jackson Brown, Jr.

An interactive session was conducted by our School and NDA Alumni G.C. Rahul Kalkal on Dec 17, 2021 for the NDA aspirants of classes XI and XII. Session focussed on the points like how to prepare for NDA, variety of questions asked during SSB, what qualities are required to get selected in NDA. He emphasised on being your own self and motivated all students to be honest, give their best and do at least one hour of physical activity daily. It was really an inspiring session for all the students.
