

SCIENCE / EARTH WEEK

“Science knows no country because knowledge belongs to humanity and is the torch which illuminates the world.

Louis Pasteur

The Air Force School celebrates **Science/Earth Week** from **18th April 2022 to 22nd April 2022**. Science is not limited to classrooms and school labs but is found all around us and this week aims at encouraging students to explore Science concepts through ingenious ways. It is an opportunity to nurture the creative minds of our children and provide them with an opportunity to imagine, create and innovate in their own little ways. Following activities will be conducted to celebrate Science / Earth Week.

- VI - **I AM A SCIENTIST** (Students will portray themselves as scientist and discuss their Innovations/theories).
- VII - **JINGLE ON SCIENCE** (Tunes of Jingles on the topic – GO GREEN of Science)
- VIII - **MAKE AN ANCHOR CHART/E-POSTER** (Topic-Microorganisms)
- IX - **SYMPOSIUM – “SAVE EARTH : THINK GREEN”** (choose any one from the topics given below)
 - 1. E-VEHICLES : WILL THEY SAVE OUR PLANET
 - 2. GEO THERMAL ENERGY : ENERGY OF FUTURE
- X - **NUKKAD NATAK**
TOPIC : AWARENESS CAMPAIGN ON ORAL HYGIENE
