**CIRCULAR TO PARENTS 2022-2023**

Dear Parents,

1. The new academic session 2022 –2023 has started. We at TAFS strive to actualize the potential of our students by constantly encouraging them to redefine their capabilities.
2. Providing newspaper is one such endeavor on our part to give the young minds a global platform to update their information bank, re-invent themselves by writing for the paper and participate in a host of competitive programs. Following the tradition of the previous academic session, where the e – paper was circulated due to the pandemic, we have decided to subscribe '**The Times of India**', **student edition (NIE) in the present academic session. The subscription amount per student is Rs.275/- for a duration of six months (110 days) which will be payable by cheque.**
3. The membership also includes a host of activities like writing for the paper, workshops, industrial visits and competitions which will be spread across the entire session. Newspapers not only give us information but improve our reading skills along with becoming an important learning tool.
4. **The membership is open to classes VI – XI (Senior wing). The membership is optional. Last date for giving the consent form along with the cheque is 20 July 2022. No requests for membership will be entertained thereafter.**
5. **Note: - NIE membership fee will be paid by cheque in favour of "The Air Force School". Subscribers from the **senior wing (VI-XI)** will submit the **consent form along with the cheque for the subscription amount** to their respective English teachers.**
6. For registering yourself as the NIE member, either take the printout of the consent form given below or just copy it on an A4 size sheet and submit along with the cheque.
7. Parents are requested to enter their ward's name, class and section on the reverse side of the cheque carefully to avoid confusion.
8. For queries, please contact the following Co-ordinators:
