

NDA Exam Preparation Workshop

An online workshop was conducted by Mr. G.S Joshi PGT Physics, Sainik School Ghodakhal on August 01, 2022 for all the Air Force Schools. The workshop was attended by 60 students from The Air Force School, Subroto Park.

The whole scope of the NDA written exam was covered in depth. Mr. Joshi emphasises the importance of accuracy and speed in passing the NDA written exam. After the inspiring workshop, students feel that the cut off marks for NDA exam are attainable. All of the course outlines were thoroughly explored. The students were told about the key points for each subject. There was thorough coverage of all study techniques for passing the written exam. Mr. Joshi emphasis on the necessity of beginning preparation in class X. He also suggested that students should read the newspaper every day to be current on current events. Overall, it was a very inspiring webinar and students got a complete insight about NDA Examination.
