

THE AIR FORCE SCHOOL SOCIAL SCIENCE WEEK REPORT

2022-2023

"As the soil, however rich it cannot be productive without cultivation so the mind without culture can never produce good fruit"

The Air Force School

Social Science Week Report 2022-2023

Education is not only learning of facts but training of minds to think. Learning by doing makes students engaged, open for learning through experiences and learning becomes easy and not a strenuous task. To make learning a joyous experience, The Air Force School organise Social Science week for classes VI-X. The classroom became a hive of active learning with ardent students participating in variegated activities.

Learning objective-

- | |
|--|
| • To inculcate the feeling of Nationalism among students. |
| • To make them aware about the current issues and their solutions. |
| • To make them confident and empowered in expression. |

Activities conducted during week

Class VI- ROCK ON IT!!! (Rock painting)

To fire up the student's imagination rock painting session was organised in order to celebrate social science week. Students enjoyed painting out their imagination and this activity helped to inculcate cooperative and social skills among students. Painted pebbles with a positive message scrawled on it brought an essence of positive vibes

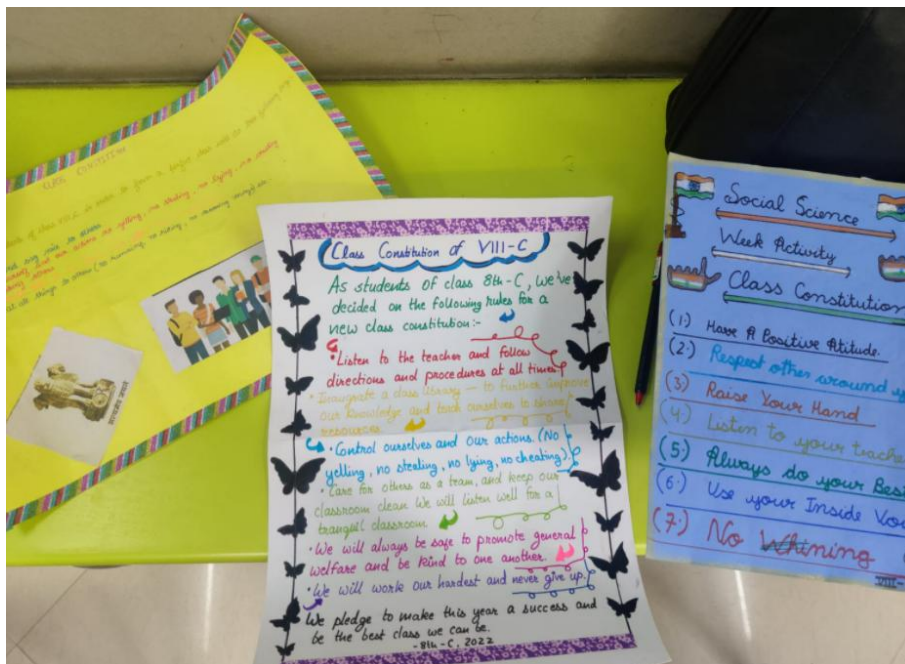

Class VII- Weave a Tale

Creative thinking inspires idea. Idea inspires change. The objective of the Activity was to sensitise students towards environment, encourage them to use their linguistic skills, imagination and creativity to bring out the **story writer/teller** in them. It not only develops their communication skills but also instils confidence in them. Students enjoyed expressing their insightful thoughts on the conservation of the environment.

Class VIII- Ping A Pamphlet

In order to celebrate social science week students of class VIII designed their class constitution showing up their creativity and thoughts in the form of a Pamphlet. Students participated enthusiastically in designing their class rules and regulations and also pledged to follow and respect their class constitution with full integrity.

Class IX- Design A Poster

An ounce of prevention is a worth a pound of cure.

To bring out the creative expression of the students and also to gauge their awareness quotient, Poster Making session for grade IX was organised in order to celebrate social science week. Topic for the session was cause and impact of Assam floods and measures to mitigate floods. Students enjoyed expressing their insightful thoughts on the measures to mitigate floods.

Class X- Nation First

As symbols, Folklore, Songs, Images played an important role in the making of nationalism students of class X actively participated in composing a song igniting the feeling of nationalism and painted their imagination out portraying the image of 21st century Bharat Mata.
