

TAFS MATH WEEK

MATH – O – MANIA

19-12-22 TO 23-12-22

REPORT - CLASS VIII

INTERESTING FACTS ABOUT LIFE OF SRI RAMANUJAN- COMIC STRIP!!!

Mathematics is not about numbers, equations, computations and algorithms. It is about understanding

- William Paul Thurston

The Air Force School organised THE MATHS WEEK from 19.12.22 to 23.12.22. The Activity for class VIII was organised on 21st DEC 2022

The Mathematics day was celebrated at TAFS with objective of creating awareness and interest about importance of mathematics in day to day life situations. This day is celebrated on the birth anniversary of Sri Srinivasa Ramanujan, the great mathematical genius who made exemplary contribution to Mathematics. Various activities were created keeping in view students' interest and use of mathematics in day to day life.

A comic strip is a sequence of drawings, often cartoons, arranged in interrelated panels to display brief humor or form a narrative, often serialized, with text in balloons and captions. A mathematical comic strip involves use of mathematical concepts. Mathematical COMIC STRIPS not only enhance knowledge and creativity but make maths enjoyable also. They take away the fear of Mathematics and help the child to grasp diverse mathematical concepts and improve learning.

As a part of celebrations an event with title **INTERESTING FACTS ABOUT**

THE LIFE OF SRI RAMANUJAN was organized for class VIII on 22nd DECEMBER'22. In this activity, students created a **COMIC STRIP** based on interesting facts about the life of Sri Ramanujan

. The students participated with full enthusiasm and zeal and made wonderful comic strips on given mathematical concepts.

.The best entries from each class are as follows:

1. SUBHAM MISHRA VIII A
2. VISHVESH SHUKUL VIII A
3. SUDIKSHA SINGH VIII B
4. VARUN VIII C
5. BHAVYA SAINI VIII D
6. VIDHI SINGH VIII E

Some interesting comic strips made by students are shown below:
