

## CHRISTMAS CELEBRATIONS AT JUNIOR SCHOOL

The jingling of bells & the impeccable decorations at every corner indicates the onset of Christmas Eve. Christmas brings with itself a special message of hope, happiness, joy & merriment. Santa Claus tells us to never let go that magical element of innocence from our life.

On 23<sup>rd</sup> December our little kindergarteners presented a Christmas special assembly. The stage was decorated beautifully with the items all Christmassy-stockings, trees, strings all made by the students of all classes. The tiny tots brilliantly presented a dance sequence on medley of Christmas special songs & amused everyone with their charm & innocence. Dressed elegantly in red & white they looked mesmerizing. With pom poms in their hands they danced with joy & exhilaration. It really made the ambience pleasant & exuberant. The sounds of carols and joy in the atmosphere made the assembly effervescent. The show ended with the good wishes from our vibrant Santa who came all the way riding on his scootery sleigh and wowed the students with his entertaining show.
