CIRCULAR TO PARENTS OF CLASSES VI-IX

Dear Parent

Many congratulations to you! Your ward has been promoted to the new class and we are now beginning the new session 2020-21 in online mode.

As the entire country is witnessing an unprecedented national lockdown due to the COVID-19 health emergency, regular school will begin only after a directive from the government. We have decided to make use of this time and all the resources available to us to continue with the academic growth and development of various skills so that the children do not miss out on the progress in scholastic areas.

In this regard, we are starting with online teaching schedule through a class and section wise whatsapp group including the Class Teacher and the different subject teachers. This group will post regular update of the teaching schedule and the mode of teaching. Further on the homework schedule will be posted on the student portal. We will also be sharing the respective Extramarks module which is already accessible to you.

The online teaching schedule will be filled by the respective class teachers in the format given below and will be updated by the class teacher one day in advance.

Kindly note that your mobile number as mentioned in the school records will be required to create the section wise whatsapp group

Slot	Time	Subject	Topic	Mode of Teaching
I	9:00 – 9:30			
II	9:30 – 10:00			
III	10:00 – 10:30			
	10:30 – 11:00	BREAK		
IV	11: 00 – 11:30			
V	11:30 – 12: 00			

We look forward to your cooperation so that our students are able to cope up with the academics in this uncertain and challenging period of time.

Warm regards

Mrs Amita Gupta
Principal
