CIRCULAR TO PARENTS OF CLASSES I –V

Dear Parent

Many congratulations to you! Your ward has been promoted to the new class and we are now beginning the new session 2020-21 in online mode.

As the entire country is witnessing an unprecedented national lockdown due to the COVID-19 health emergency, regular school will begin only after a directive from the government. We have decided to make use of this time and all the resources available to us to continue with the academic growth and development of various skills so that the children do not miss out on the progress in scholastic areas.

We have planned a schedule for uploading some activities and worksheets regularly on the student portal. We will also be sharing the respective Extramarks module which is already accessible to you.

The subject wise detail of this schedule is given below. It will be the same for all classes from I-V.

Day/ Date	Subjects
1 April (Wednesday) 8 April (Wednesday)	ENGLISH
3 April (Friday) 9 April (Thursday)	MATH
4 April (Saturday) 11 April (Saturday)	EVS
7 April (Tuesday) 13 April (Monday)	HINDI

We look forward to your cooperation so that our children are able to cope up with the academics in this difficult and extraordinary time.

Warm regards

(Deepa Radhakrishnan)
Headmistress
