Dear Parents,

Online NIE, Times of India Activities

The Air Force School always endeavors to provide students with a platform to express themselves. In collaboration with Times NIE the school has been an instrument to keep students updated with current news, factual and accurate information from across the world on varied topics. At the same time Times NIE newspaper is an interactive platform for sharing opinions and ideas.

However, in the current circumstances of nation-wide lockdown because of COVID 19, a barrier is created between the Times NIE team and the readers. The newspaper will be given to students again when the circumstances stabilize and permit.

Awareness and general education about the present situation in the nation and worldwide is more important now than ever and that is why the team has taken the initiative to reach out to the students and educators with online activities.

1. E- newspaper

An online comprehensive daily edition has been created which would include all the relevant and significant news in one page.

Here is what to expect from the digital newspaper:

- Specially curated games and activities for the lockdown period.
- Innovative learning tools and how to use them.
- DIY(Do it Yourself) and hobby ideas for students.
- Preparing the young audience for the next session with mind teasers etc.
- Lists on what they could read/watch and share.
- Encouraging student participation through activities.

This newspaper will be uploaded on the class what's app groups everyday (Monday – Friday) by 11 am

Students can send their entries (articles, stories, poems) at ruchitafs@gmail.com ,if they wish to get them printed in the e- newspaper. The entry should be accompanied with full name, class and section and the subject box should be named as- For E-newspaper

2. New Day, New Author, New Story

Times of India have started a collaboration with Penguin India on their TOI student FB page. It's a New Day, New Author, New story activity. At 6:30 pm every day, an author will come online and conduct an activity for kids/teens for half an hour. The news and agenda is uploaded on the TOI website and on the FB home page.
