**CIRCULAR FOR PARENTS OF CLASSES I –XII**  
**(REMOTE LEARNING AND PAYMENT OF QUARTERLY FEES)**

Dear Parent

1. As you are aware we have begun the new academic session 2020-21 faced with the challenges due to the health emergency and have used all available resources to provide our students with the right learning opportunities. We hope that the remote learning methods followed by us is benefitting your ward. We appreciate your assistance and collaboration in this endeavour.
2. We have provided the e-books on the student portal and have made available other learning resources as technology can offer. Our teachers will be available on phone/ email/ messages to provide guidance to students whenever required.
3. The fee slip for School Fee for the quarter April - June 2020 has been generated as per Fee Structure of 2019-20 as the process of revision of fees could not be completed due to sudden COVID-19 lockdown. Bill for any difference later on, on account of revision of fees will be adjusted/ raised as and when the circumstances allows.
4. Usually the bus fee is charged for 10.5 months. As there is no clarity about the Summer Vacation and conclusion of lockdown period, presently 50% of the bus fee is being charged from the students. It is subject to adjustment later on as per the number of working days.
5. Kindly check the student portal for the fee slip for the quarter April to June 2020 and make the payment online.

Looking forward to your support and cooperation, as always.

Warm regards  
Principal
