LIBRARY ACTIVITY

MISSING T.A.F.S

My school TAFS is so wonderful to
think of.

But ~~so hard~~ to be without.

I want my old days ~~back together~~, and wish
the ~~weekend~~ to get over.

I miss my TAFS family,
and often feel very lonely.

I miss my friends, all the ~~chat~~ chat and fun,
the feeling of fear, when homework not done.

I miss the Court of 'basket ball' and,
all the activities of 'Anjali Hall'.

The journey of Bus to & fro.

Morning assemblies, standing in a row

We should overcome together,
caring for each other.

Hope ~~very soon~~, following all the rules,
I will be ~~back~~ back to school.

How do you miss your corner at
TAFS: Tank, Canteen, Volleyball

Arts block?

Fine Art Block itself is art,
above all literary art.
Every painting is a short story.
Every creation there is novel.
Every corner there is a poem.

I want to lose myself there
give my soul to art.
Forget that I have a name and become
kind of beautiful that is only
found in the heart.

The butterfly told me there.
If you can't fly high,
fly free.
I feel I have universe in my mind and
hands.

MISSING TAFS

The Air force school is one of the most extraordinary school I've ever seen. Due to Covid-19, Our school is temporarily closed. I want to explore senior wing after the school reopens. Surely, every student wants to do the same. As I am new to the senior wing, I don't really know which place I miss, but I do know that I will like the football ground.

I hope that the school will reopen soon. At last, I would like to thank the teachers who are working hard to teach us through online classes.

TAFS LIBRARY

My school library is special,
it's organized and neat.

I pick a book to read and
have myself a seat.

I choose a spot that's
comfortable and I can simply read.
I enjoy the book I take my time and
don't read for speed.

I put the books away in the proper
place keep my library clean it's my favorite
in the school. I miss it a lot waiting to
return soon.

मेरी प्रिय टैप्स मा
तू कदा उन कि खिक्कि है,
किस रोज़ तुम का मिता रही,
ऐसा कभी हुआ नहीं,
की हम सब तुमने भिंता रही।

मैं जानता हूँ ये बात,
तू हम सब की माँ है,
एक तरीके से हमारे बच्चे,
हैसते हैं ओम्ह की दरिया हैं।
तेरे आँचल बात की दबारा हैं।

कैसे तू एक पसी बीमारी है,
तेरे इस बच्चे पर भारी है,
हम तेरे हर दम अंधारी हैं,
अब भी तेरा प्यार। जगती है,
आँखें लड़त अब तेरी सगरी हैं।

Missing My School

Oh! my lovely school, I am missing your grounds.
Getting up early at 6, was my habit which was fine.
To pack my bag & dress up properly,
I always waited for you early.

I did not run a stadium to meet you
at 8.

Sometimes I got a little late.

Oh! my school, I am missing you & your rule.

I approach to class & used to find my seat,
but found my friend waiting for me.

All our class that voice,
raised the class voice.

When the bell rang,
we all went to assembly ground in a gang.

Here some P.T. & principal's speech

1st bell, in the classroom we used to read.

Our energy in 1st period was like top gear,
but after that, all energy would go there.

Next Page.....

We eagerly waited for 11 o'clock.

It would then be recess, where there would
any lock.

When the bell rang we rushed outside,
there was everything from springroll to
chowmein.

"1 springroll, uncle" "1 chowmein, please",
we all shouted like we were sheep.

1 more bell & recess over,

They used to be 'ATM ATM' when we
helped our school workers.

Classes again & again we waited,
Every bite of recess then got digested.

The last bell brought us
happiness,

For 12:50, we were restless.

COVID-19 has kept us away for months,

I think of a day when these all things
happen again for months.

Oh! my lovely school, I miss you &
your rule!

For me school is something less than
ambition
As it is the place where I first began
to bloom

I learned the equations with maths
mathematics
Along with it came a dozen more
topics

English and Hindi taught me the art of
of speaking
With this my talks became much
less boring

Social Studies made me a better
citizen
It tells us about the big
nation

At last comes my favourite
science
It even takes us deep into the
mines

I just want to go back to my
school
Although it was not very
cool

O TAFS, MY TAFS! – MISSING YOU 24X7

O TAFS, my TAFS, our TAFS! – How is it possible not to yearn for you, when I am away from you for so long and not sure when I will be back to you?

You are the one, where I love to spend most of my time. From the 'delicious school canteen' to the 'Grand Fine Arts Block', from the 'inspirational class rooms' to the 'huge Sports Ground'; missing every nook and corner of yours so badly.

All the sweet-sour memories of every nook and corner of yours is so fresh and live in my heart, making me crave for you, every single moment.

But the corner I love the most and which is my favourite one is the Fine Arts Block. Being the most recent addition to the TAFS, the 'Fine Arts Block' provide the students, the wonderful single window for all Arts forms.

I remember being part of its 'inauguration ceremony', some seven months back and it is highly satisfying that today it has flourished into full bloom 'Art Forms Centre', which has got separate specified rooms for each Art form.

As we enter the 'Art Block', we see the idol of the goddess of wisdom and art-Goddess Saraswati, bestowing her blessings upon us. One can go through the art forms like painting and sculpture on ground floor and as you go upstairs, one can learn and enjoy art forms like band, instrumental music and dance.

It is really great to feel, that conservation of our cultural values and improvisation there of are being well cared and nourished at our 'Art Block'. I am so proud of this corner of our school.

Missing you 'My School', longing to see you soon.

“Education is what remains after one has forgotten what one has learnt in school.”

It's been a long time we have not gone to school. And we are also not sure when the school reopens. I am so grateful that I am getting an opportunity to have ~~the~~ online classes. But the ~~interest~~ that we had in the school was different. It's all the teachers who are encouraging us towards education and knowledge. I was so excited to see my new class; but who knew that this ^{corona virus} disease will let the lockdown.

Every child must be missing school ^{but} our health is first. I miss the teachers who taught us everything, from studies to art.

Missing the fun of the school and all the teachers.

Missing TAFS...

I miss my school days where I
The years of laughter, friendship, joy of learning
at TAFS.
It is a place all the teachers taught us
the lessons of life, respect and knowledge.

I miss my days, where we all friends
played together.
We played the true friendship
and promised to be friends forever.
We played games of truth love, which we never gonna
forget.

I miss my school days where we took participation
In every sports, in every occasion.
Where we cheered up each other
where there was no place for hate, in losing.

I miss my school days where teachers held on
every of our mistakes.
And encouraged & motivated us on every occasion
where she thought us like teachers and loved us
like our mother
who taught us the respect, and
encouraged to move in life...

I NEVER GONNA FORGET THOSE DAYS...
I REALLY MISS THOSE DAYS IN THE LOCKDOWN

LIBRARY ACTIVITY

Daily I miss my school

TAFS is really cool.

I used to play

I used to pray.

The best is the BREAK time

When I drink my favourite lime.

Those twenty minutes are so precious

To finish the lunch so delicious.

God ,please make the things back to normal.

So that I can dress again in formal.

Let's pray to make the things back to normal

I desperately longing to hear the school bell.

We will run

to have so much fun.

Our academic work is done and complete

And I am geared up to compete.

A big THANK YOU to my teachers for us
teaching online.

So to make us stay FIT and FINE.
