

The Air Force School, Subroto Park

“The ignorance of one voter in a democracy impairs the security of all.”

To create awareness among the students about the 'Right to vote', The Air Force School, Subroto Park celebrated National voters' day on 29/1/2020. Various competitions were organized to mark the day.

Students canvassed their ideas by drawing creative and colorful posters. Many of them penned down their thoughts by writing meaningful slogans.

Students of class IX also wrote informative essays. The best among them were appreciated. The winners were awarded in the assembly.

While the right to vote is widely recognized as a fundamental human right, this right is not fully enforced for millions of individuals around the world. We have the freedom to choose our leaders and engage on the issues that we care about. That means we can build power in our communities and create real change. Our right to vote gives us that power.
