मैं भी गाँधी

The Junior school celebrated Gandhiji's life and teachings through activities on the theme, 'Mei bhi Gandhi', on 30 Sep and 01 Oct 2020. Gandhiji was not just a leader but a living philosophy. His messages of truth, tolerance, non violence, cleanliness, self reliance, minimalism continue to inspire the children of all generations.

Bapu

The little ones of Class UKG sketched Bapu in their drawings. This is their first brush with Bapu and the beginning of a life lesson.

Gandhi ji ke Bandar Teen

Class II depicted his 3 wise monkeys that see no evil, hear no evil and speak no evil. Children are born with a sense of right and wrong, it's up to adults to encourage them to follow their moral compass. Gandhiji's wise monkeys will always be that compass for us.

Kaise the Bapu?

'Gandhi, Bapu, fakir, Mahatma, Mohandas'..a man known by many names. Class III participated in a quiz on the Mahatma to figure out how much do they know about the man who was like an open book.

Bapu ki Seekh

A leader leads by example whether he intends to or not. Mahatma Gandhi's journey from being a very shy and a hesitant boy to being the 'father of the nation' is replete with stories that inspire and will you to never give in and stand up for truth. Class IV made posters on the life lessons of Gandhi.

The Minimalist Mahatma

Mahatma had very few materialistic possessions because he believed 'Earth has enough for everyone's need but not enough for everyone's greed'. Class V made cloth bags out of old T-shirts and made caricature and slogans by Gandhiji.

All classes discussed the significance of Gandhiji's teachings on cleanliness and non violence
