

welcome... **BACK TO SCHOOL!**

WELCOME

SESSION 2022-23

NURSERY

St. Xavier's High School, Sector-49, Gurugram welcomes all children to the new academic session. We hope children are relaxed, recharged and ready to start a new school year. We are so delighted that our little ones are a part of our amazing learning community. We welcome and value your positive energy and dedication to excellence in education.

WELCOME TO NURSERY C

Welcome to Nursery C

'A SLICE OF SUMMER'

Summer means happy times and good sunshine!!
It's time for fun, learning, exploring and doing
lots of learning through various joyful
activities. Sensory activities, in addition to being
fun, as they lead to critical thinking and are
interesting for young minds, encourage students
to explore and investigate.

EARTH DAY

'World Earth Day' is celebrated every year on 22nd April all over the world. It is an annual event held around the world to demonstrate support for environmental protection.

The main objective of celebrating World Earth Day is to raise awareness among people about environmental security. This day is a day of contemplation of how we can save our "वसुंधरा".

Earth Facts

The Earth revolves around the Sun.

Earth is the third Planet from the Sun.

Earth is the fifth largest Planet in the Solar System.

Earth has one Moon.

Earth has a blanket of air around it (atmosphere). This blanket helps keep Earth from getting too hot or cold.

Earth is the only Planet known to have lots of water.

Earth has day and night because half of Earth is lit by the sun while the other half is in the dark.

Earth is the only Planet known to have plants and animals living on it.

Happy Earth day

EASTER DAY

Easter is the holiest day of the year for Christians. It celebrates their belief in the resurrection, or the rising from the dead, of Jesus Christ. Easter is always observed on a Sunday in the spring. It can fall on any Sunday between March 22nd and April 25th.

HEALTHY
SOILS
ARE FULL OF LIFE!

SOIL CONSERVATION WEEK

'Save Soil' is a global movement launched by Indian spiritual leader 'Sadhguru' to address land degradation and advocate for healthy soil. While Sadhguru is on his 'Save Soil' road trip from London, supporting his 'Save Soil' movement, we at St. Xavier's organized various soil conservation activities throughout the week to create awareness about the same.

The children of Pre-Nursery, Nursery and KG were told about the importance of soil conservation using stories, oral discussions, songs and PPTs.

MOTHER'S DAY

"No language can express the power and beauty and heroism of a mother's love." — Edwin Chapin.

The Pre-Primary wing of St. Xavier's High school was filled with beautiful and positive vibes of motherhood.

The children expressed their love for their super moms by singing and dancing to the tune of "I love my Mommy".

The mothers enthusiastically participated in some fun-filled games organized by the teachers.
