DUSSEHRA 2022

Festivals are a period of celebration and bring peace and joy for everyone. They are an expressive way to celebrate glorious heritage, culture and traditions.

To enhance that among our little ones, St. Xavier's High School, sec-49, organized fun filled and learning activities virtually for Dussehra celebration, which included a role play by the little ones in which children were beautifully dressed up to play the role of their favourite mythological character from Ramayana. The children who enacted these roles were perfect in their poise, confidence and expression.

Keeping the festive spirit alive, the teachers also presented a virtual mini Ramayana for the kids, the skit conveyed the message of victory of Lord Rama over Ravana and reinforced the message that good always triumphs over evil.

The celebration was a part of our philosophy of 'learning by doing' Children learnt values of honesty, respect, humility and obedience, which are the core of our Indian epic, Ramayana

All the children enthusiastically participated and enjoyed the celebration. Grade 2 learners also exhibited their craft skills by making effigy of Ravana with the virtues written on it that they presume to be their resolutions from now onwards. Thus the celebration not only enriched their learning but also made it memorable for our little Xaverian's which will be cherished for a long time.

HAPPY Dussehra

HAPPY DIWALI

From darkness to the light that empowers us to commit ourselves to good deeds, that which brings us closer to divinity; lights illuminate every corner during Diwali and the scent of incense sticks hang in the air, mingled with the sounds of fire crackers, joy, togetherness and hope.

The celebration of Diwali, 'The festival of light; came alive when the whole school adorned the corridors with lanterns and diyas. The little Xaverians showcased the spirit of festivity by dressing up in traditional attires and enthusiastically participated in making rangoli with flowers and colours. Teachers explained the importance of Diwali, the festival spiritually signifies the victory of light over darkness, knowledge over ignorance, good over evil, and hope over despair. Besides sensitizing students to the ill effects of crackers, they were also encouraged to celebrate Green & Eco- friendly Diwali. The day ended with a Craft Activity - Hanging Diwali Décor and a takeaway gift of handmade clay diya. Both teachers and students enjoyed the Diwali celebration wholeheartedly.

HAPPY
Diwali!

The students came dressed in various outfits to mark the welcoming of good spirits and drive away the bad spirits in their lives. The students got the opportunity to go trick or treating, enjoy candy, and dance at a Halloween party. The School Community Association hosted a fun party for all students to enjoy. There was a piece of scary theme music, spooky decor, and food and the entire school was decked up with Halloween-themed decorations.

The event was organised to help students pursue an education in a fun-filled manner and encourage them to appreciate differences in cultures and customs and also to make them aware of global festivals and values. For many others, it was a mind-blowing experience that took them to the western world, where it is celebrated in a grand manner.

Wisdom is giving children their wings, along with the rudder of awareness to keep them safe from the prying hands.....

On 12.12.2022 was specially dedicated to safeguard and protect our teeny weeny toddlers and give them the warmth of wellbeing through a deliberately planned programme on "Good touch and Bad touch". The children learnt to identify the "No touch" areas and understood that who are safe adults and whom to report when there is an alarming situation.

Students of grade 1 and 2 learnt to handle strangers and say 'NO' to unwanted touches by running away and shouting out loud. They were taught to inform about such happenings to the adults they trust and immediately report if they were told to hide the same from their parents.
