**BUSINESS STUDIES**

## **PROJECT ON INTERNAL TRADE**

The objective of introducing this project is to give you all a first-hand experience regarding the different types of INTERNAL TRADES operating in our surroundings, to observe their features and activities and relate them to the theoretical knowledge given in the text books with help of case study and research.

### **PRESENTATION AND SUBMISSION OF PROJECT REPORT:**

At the end of the stipulated term, each student will prepare and submit his/her project report.

Following essentials are required to be fulfilled for its preparation and submission.

- The total project will be in a file format,
- The project will be handwritten.
- The project will be presented in a neat folder.
- The project report will be developed in the following sequence
  - Cover page should project the title, student information, school and year.
  - List of contents.
  - Acknowledgements and preface (acknowledging the institution, the news papers read, T.V. channels viewed, places visited and persons who have helped).
  - Introduction.
  - Topic with suitable heading.
  - Details of the topic
  - Planning and activities done during the project, if any.
  - Observations and findings while conducting the project.
  - Conclusions (summarized suggestions or findings, future scope of study).
  - Bibliography
- The project work should include a sufficient number of photographs to make it attractive. Also, the photographs must be relevant to the topic and content.
- The project length should neither be too small or too big. Generally, it should range between 20-25 pages.

### **CHRONOLOGY OF THE MAIN TOPIC:**

1. Introduce the main topic (Internal trade)
2. Explain types of Internal trade
3. Features and operations of wholesalers and retailers
4. Services rendered by wholesalers and retailers.
5. Types of retailing trade
6. Select any one kind of retailer and conduct research on that.
7. Present the detail of that particular kind of retailer with the help of a case study prevailing in the real world.

***\*Students need to conduct a detailed study of the chosen case and all the above points should be presented with the help of sufficient evidences in the form of photographs, statistical data or any other detail.***
