GANDHI JAYANTI CELEBRATION

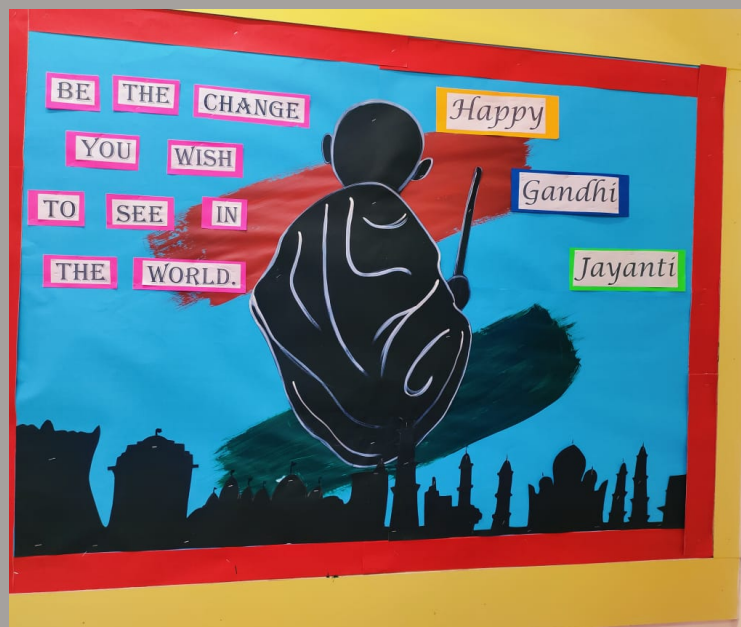

*"I need no inspiration other than Nature's.
She has never failed me as yet.
She mystifies me, bewilders me, sends me to ecstasies."
— Mahatma Gandhi*

On 152nd anniversary of Gandhiji, Government has taken many initiatives by celebrating this day as "Azadi ka Mahotsav" & launching 'Clean India Campaign' so do Xavierians by creating awareness amongst students and sensitizing them towards environment. As a token of tribute to the great environmentalist Mahatma Gandhi, students took pledge to remove plastic waste.

As we understand the gravity of the situation, its a high time that we follow 6R's of waste management. Like Aditya Banger who started "trash to treasure" program which is recycling 10 metric tones of plastic every day to make fabric, we Xavierians can also contribute to this initiation. I urge my students to follow 6R strategy & encourage others also to collect plastic items & try to recycle it or give it to nearby plastic bank.

- Deepak Aggarwal (SAP Member)

Gandhiji never spoke about environmental protection as such, but Chipko andolan, Narmada bachao andolan, had inspired him a lot and made him realise "the essence of oneness". Gandhiji contributed in his own way. One way that I shared with my students today was the practice of observing 24 hrs of silence regularly which we call maun vrat which had ecological gesture., It was a unique way of conserving energy. So I urge my students to reduce noise pollution & conserve energy.

- Shrishti Goel (SAP committee member)

THE
FUTURE
IS
GREEN

Since Govt. has already banned single use plastic , I urge my students to put it into immediate effect and make it successful.

On our part we can make it successful by mere strong determination & will power. All we need to do is to raise awareness & for that students need to encourage innovation in development of alternatives to single use plastic items, collect plastic litter if you find anywhere & give it to plastic bank nearby. Connect with Municipalities & community action groups. Write articles & share on social media.

- Kiran Singh (SAP committee member)
