The Wind and the Sun

One day, the wind said to the sun, 'I am stronger than you'. The Sun laughed and said, 'I do not think so!'

And they decided to test their strength on a traveller.

'There goes a man with a jacket', said the wind. 'Can you make him take off his jacket?'

'Why don't you try first?' Said the Sun.

The wind puffed up his cheeks and began to blow. The man put his head down and walked on. The wind blew harder and harder. But the man only held his jacket tighter. At last the wind gave up and asked the sun to try. The Sun began to smile. Soon it grew warmer. The man felt hot. He undid the buttons of his jacket. The sun shone brighter and brighter, and the man felt hotter and hotter. At last he sat down on a big stone and took off his jacket.
