RISHI PUBLIC SCHOOL

..... Towards Excellence

Motto and Aim

Knowledge is limitless and hence the challenge enshrined by us is **ज्ञानम् अनन्तम्**. All our efforts are directed towards meeting this challenge. The School endeavors to provide the right opportunities and environment for the harmonious development of young minds to enable them to become good human beings, responsible citizens and attain what our ancient Rishis were able to achieve in knowledge. Though an Aryabhat or a Chanakya is born once in hundreds of years, we at Rishi Public School will help the child to take his first step to acquire that limitless knowledge.

CHILD IS THE MOST AMBITIOUS DREAM OF EVERY PARENT. We help young minds to ignite global thinking through Indian ethos. This is an invitation to all those parents who think that COMPLETE PERSONALITY DEVELOPMENT of their children is one of the most important aspects of their life.

School Management

The School is managed by "Swaran Devi Foundation, Indraprastha" an educational society registered under the Societies Registration Act of 1860. Eminent educationists, Doctors, Social activists form the Managing Committee of the School.

Affiliation

The School is affiliated up to Senior Secondary level to the Council for the Indian School Certificate Examinations, New Delhi (an All India Board). Our affiliation No. is HR/017.

Celebrating Krishna Janamashtami

Vision

The School was established in 1996 with a clear message from our founders to provide "WORLD CLASS AFFORDABLE EDUCATION". We are committed to nurture our students in the moulds of character, confidence, vision and above all patriotism. This dictum is being followed by us in letter and spirit in all our activities. Our **Sanskars** and **Sanskriti** are precious to us. We want to pass on this heritage to the next generation.

Our School

The School is located in Sector -31, Gurgaon on a school plot allotted by Haryana Urban Development Authority.

The School has a large playground to cater to various games and sports. The beautiful School Building has been designed by a leading Architect of Delhi, a specialist in designing school buildings. The student friendly class rooms are based on scientific concept of school architecture where emphasis is on maximum natural light and ventilation and minimum noise transmission between class rooms. The school has all the modern infrastructure like fully equipped laboratories, well stocked library, multi media enabled computer center along with the latest addition being the digital smart-classes.

Our School and Environment

Our positive steps: (a) Greenery: Trees planted and guarded by our first batch 20 years ago are now fully grown; (b) Rain Water Harvesting; and (c) Rooftop Solar Panels duly approved by Haryana Government are our contributions towards clean environment to the community.

Sports and Games

Our Students are regularly taking part in district, state and national level competitions in cricket, volley ball , soft-ball, Chess, kho kho, athletics, taek won do etc. Sports inculcates a spirit of achievement. School encourages students to excel in sports to enhance their personality.

Study Plan

Pre-Primary Stage: The School follows Montessori system of Play-way teaching where the teacher is a friend. The School has been able to create an environment of SMILE and WARM WELCOME so that child should not have any fear for the school. The tiny tots learn in an informal way with the help of specially designed blocks, pictures, charts, audio music under supervision of experienced teachers. Special attention is given to facilitate emotional and intellectual growth along with coordinated activities for the child to be a TEAM-MATE.

Primary Stage (Class I to V): Formal teaching of English, Hindi, Mathematics, G.K., Humanities, Computer and Environmental studies is undertaken based on the recommended syllabi.

Middle and Secondary (Class VI to X): From Class VI, third language Sanskrit is introduced. School prepares students of Class X for Board Examinations and we offer Science and Commerce streams.

Senior Secondary (Class XII level): The School offers Medical, Non-Medical and Commerce/Economics streams.

Co-curricular Activities

Co-curricular activities are an integral part of School curriculum. Participation in such activities provides students an opportunity to seek a respite from academic stress. This also helps in securing an emotional balance in imbibing a feeling of camaraderie, brotherhood and adventure. The School has a range of Indoor, Outdoor, Art, Craft and Stage activities. School also organises annual programmes like (a) **Kalafest** for dance, drama, skits etc., (b) **Artfest** for art, craft Rangoli etc, (c) **Kalakriti** in which students display their project work in the field of physics, chemistry, biology history, geography, our heritage etc. (d) Various **Students Clubs** from Robotics to General Science and from Food to Dramatics are being promoted. Parents should encourage their wards to participate in these activities.

Performance and Promotions

The house system

To explore and nurture talent, students have been divided into 4 houses named after some of the greatest Indians:

House	Colour	Personality
Aryabhat	Yellow	The Great Mathematician
Chanakya	Red	The Political Theoretician and Economist.
Vikramaditya	Green	The Great Emperor and author of the 'Vikrami Era.'
Rani Laxmi Bai	Blue	The Great Patriot who challenged the mighty English Empire.

Each House is under the control of House In-charge who acts as a friend and guide to the students. House Captains, Senior and Junior Prefects are trained to shoulder responsibility to help the House In-charge in the efficient running of their respective Houses. A healthy spirit of competition is encouraged amongst the Houses. Team Trophies and individual prizes are awarded for sports and other activities
