*Creativity - 1 mark

*Presentation - 1 mark

*Neatness - 1 mark

*Timely Submission - 1 mark

*Done by self - 1 mark

➤ The marks of the projects will be added in UT 2 in report card.

Dear Parents,

GUESS WHAT?

**WE HAVE SOME EXCITING IDEAS FOR YOU TO
ENJOY THIS SUMMER BREAK.**

Holiday! Just the word excites and overwhelms a child. A child loves holidays. But holidays don't necessarily mean just rest & play. No, we're going to engage our children with certain responsibilities and also help them to enjoy their holidays with fun-filled activities which will lead to the enhancement of their creativity and artistic expressions.

Dear students,

You can take advantage of this extended time off school to think about animals, neighbours and community members. Here are some ideas for meaningful ways to invest your time effectively.

1. Care and concern for loved ones

2. Caring for the environment

3. Reading fun

4. Cultivate manners

5. Personal cleanliness

6. T.V. Mania (Not more than 1-2 hours per day)

Project - 1

Q.1 Make a family scrapbook.

Write 2-3 sentences about each family member.

Make sure to use pronouns in your sentences.

You can also use a picture of each family member to decorate your scrapbook .

Project - 2

Q.2 Paste any picture that you find interesting on a scrap book.

Write 5-6 sentences to describe what is happening in the picture . Say what you see and how it makes you feel .

Discuss what you have written with your family and friends!

हिंदी

“हिंदी भाषा के विकास के लिए और व्याकरण ज्ञान बढ़ाने के लिए सबसे पहले ही मात्राओं का ज्ञान आवश्यक होता है। शुद्ध उच्चारण व लेखन के लिए मात्राओं को जानना अति आवश्यक है इसीलिए आप परियोजना कार्य द्वारा मात्राओं की जानकारी अच्छे से हासिल कर सकते हैं।”

परियोजना कार्य - १

**प्रत्येक छात्र क्रमानुसार मात्राओं को ध्यान में रखते हुए प्रत्येक मात्रा से संबंधित चार शब्दों के चित्र बनाकर या चिपकाकर उनका नाम स्क्रेप पुस्तक में लिखें।

अ

अनार

अजगर

आ

आम

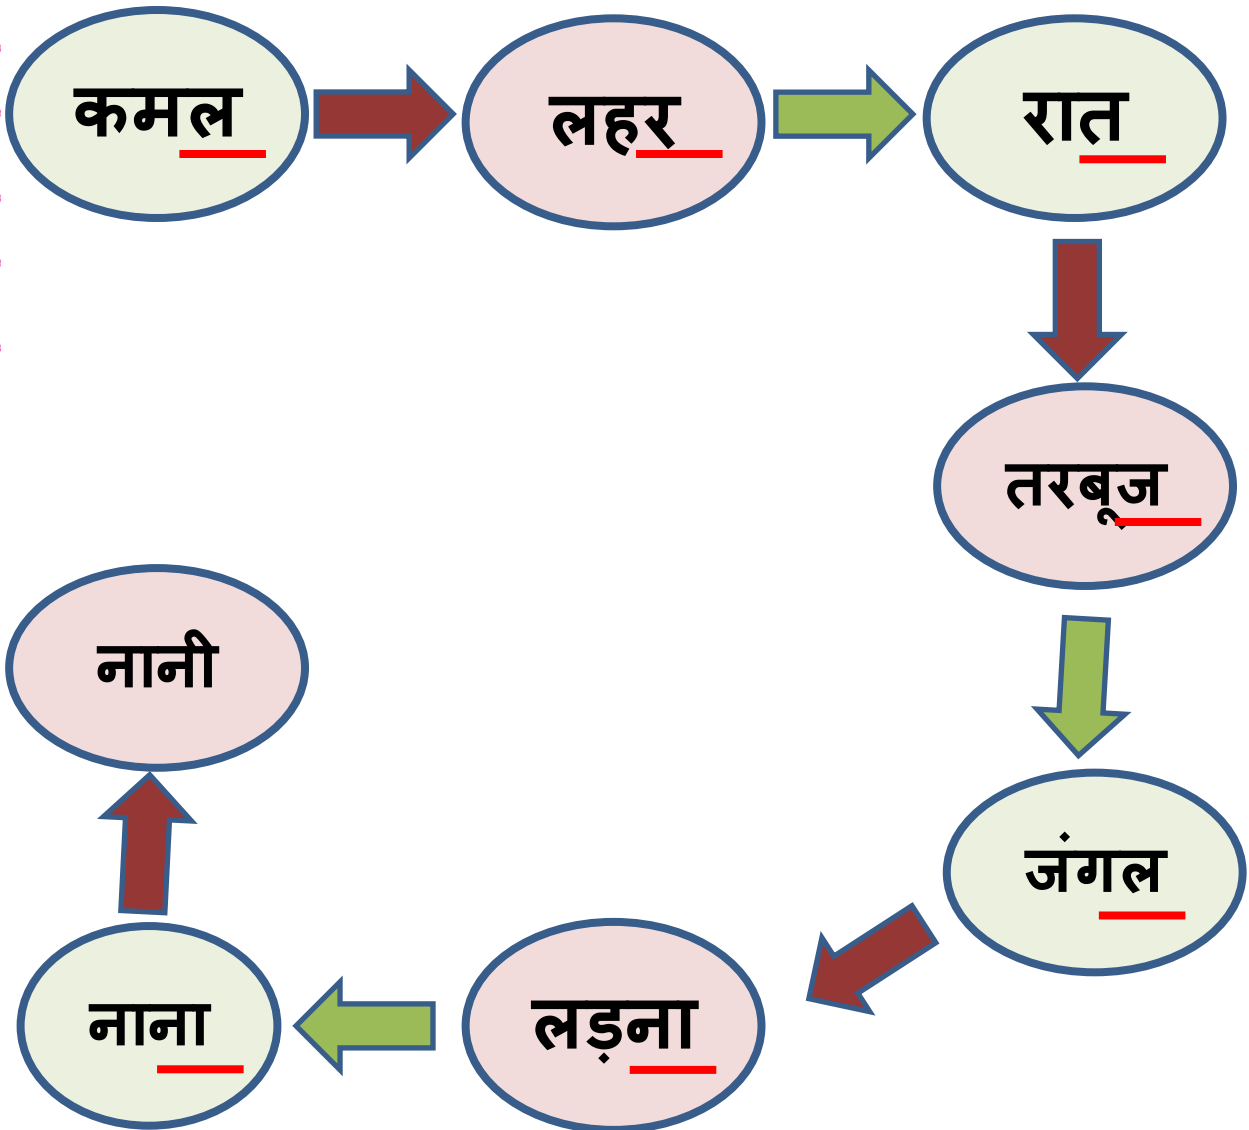

आलू

‘अथवा’

परियोजना कार्य - २

****हिंदी भाषा के विकास के लिए शब्दों का और शब्दावली का ज्ञान होना अति आवश्यक है इसलिए शब्द ज्ञान बढ़ाने हेतु छात्र एक शब्द लड़ी बनाएंगे जिसमें प्रत्येक शब्द के अंतिम में जो वर्ण होगा उसी वर्ण से दूसरे शब्द का निर्माण करते हुए कम से कम 25 शब्दों की एक शब्द लड़ी बनाकर स्कैप पुस्तक में लिखिए या चिपकाइये ।**

Project - 1

Q.1 A) Look at the calendar and find out -

- total days in a year.
- number of days in January.
- number of days are in February.
- total number of days in March , April and June.
- total number of days in July, August, October and December.

B) Show the above given numbers -

- using place value blocks.

- in the place value table.

H	T	O

- in the expanded form.
- by the number name.

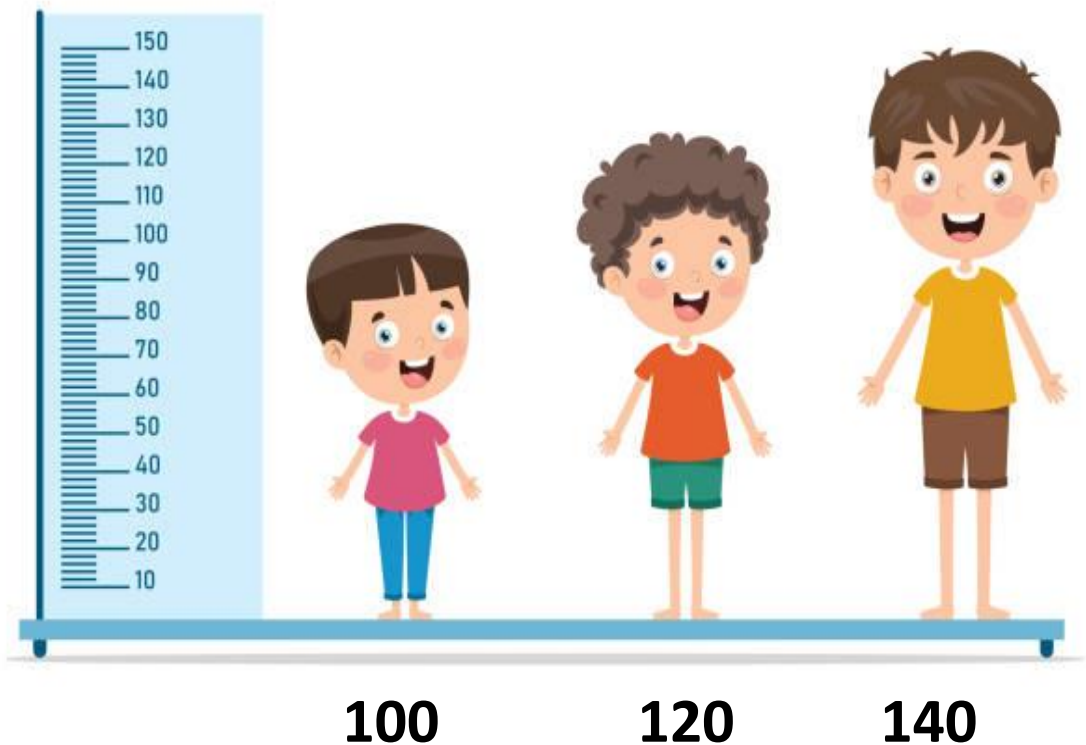

‘OR’

Project - 2

Q.2 Ask four people in your family what their height(in cm) is -

- * Compare the heights and write the tallest among them.**
- * Write the heights in increasing order and decreasing order.**
- * Take one digit each from the heights and form new numbers with them.**

E.g : 111, 124, 420

***Make as many numbers as you can from the heights.**

Project - 1

Q.1 Cut out pictures of different activities such as **playing** , **swimming** , **dancing** etc.

Paste at least 10 pictures of different activities in scrap book.

Name the body parts used to carry out each

Eyes, Hands, Arms

Legs, Torso, Arms

‘OR’

Project - 2

Q.2 “Let us plant a tree”

Sow a seed of any plant in a pot or an open space in your surrounding. Take help from an adult in digging the soil.

Water it everyday. Watch it grow !!

Observe its growth, click the pictures of different stages of plant and paste them in the scrap book.

Let the plant become your friend!!
