Gandhi Jayanti

"Ahimsa is the highest duty. Even if we cannot practice it fully, we should try to understand its spirit and stay away from violence"- Mahatma Gandhi

Gandhi Jayanti is celebrated on 2 October every year to mark the birth anniversary of the father of the nation, one of the country's icons in the Indian independence movement. Renowned globally for his non-violent approaches to bring about change. The purpose of this day is to honour the iconic leader on his birthday. As part of the celebrations of 151st Birth Anniversary, Children from Grade 1 and Grade 2 of St Xavier's High School celebrated this event by showcasing their love for 'Bapu' as was affectionately known to the masses through their creative and innovative illustrations.

Dussehra Celebration

The festival of Dussehra is celebrated with much fervour and enthusiasm across the country. According to the Hindu religious text, "The Ramayan", it is the day when Lord Rama had eliminated the King of Lanka, Ravana, who had kidnapped his wife, Goddess Sita. This festival is celebrated as a symbol of victory of good over evil. The children of St Xavier's High school celebrated this festival with great enthusiasm with various activities online.

A brainstorming session on "Victory of Good Over evil" was conducted and children were asked to write few lines on 'Dussehra' in the form of creative writing. Children penned down creative lines and depicted pictures of Dussehra through their beautiful drawings.

These enriching sessions conducted truly gave an insight of innovation and creativity of children across all age groups.

The Spooky Ostentation

The season when ghosts become friends and tricking is treated well .the season when pumpkin pie becomes the favourite dish and spider webs and its creator are no longer feared , they are welcoming decorations . The time of the year when the leaves bid farewell to the tree trunk...it's the season of the fall of the five petals , its autumn... the Halloween autumn where the spook sets the tone for the holiday season to settle in. It's that time of the year when the cold winter wind offers to go hand in glove with the warm spooky mist to engulf the festivity into a comfortable blanket of seven-fold horror and still feel happy about it . Halloween in its true essence is welcoming the dead and of course cosplay and buckets of candies . But in the end just like all the festivals , it brings people together .

Happy Halloween. Children of Grade 2 had a fun-filled evening by celebrating Halloween on a virtual Platform.

Rashtriya Ekta Diwas

Rashtriya Ekta Diwas (National Unity Day) is celebrated in India on 31 October every year since 2014. The day is celebrated to mark the birth anniversary of Sardar Vallabhbhai Patel.

Sardar Vallabhbhai Patel was Indian freedom fighter and Independent India's first deputy prime minister and home minister.

In 2014, the Government of India introduced Rashtriya Ekta Diwas or National Unity Day with an aim to pay tribute to Sardar Vallabhbhai Patel on his birth anniversary. He is always remembered for his extraordinary works for the country. On this day students of St. Xavier's High School learned more about the 'Iron Man Of India' and took pledge to dedicate themselves to preserve the unity, integrity and security of the nation.

A day without laughter is a day wasted

Laughtercizing Week

Our little Xaverians who epitomise the beauty of a budding flower and are on the path to full bloom in years to come have to be nurtured with utmost care and pure love.

In the strange times we live, wherein our life seems like a sprint rather than a marathon can lead to a pessimistic attitude when we compare our lives with those of others on an hourly basis based on their posts and updates, a positive outlook in our approach towards situations and circumstances is imperative.

This approach can be augmented by a daily dose of induced laughter in the form of Jokes / Riddles / Tongue Twisters etc. These are medicine and food for the soul and mind.

An intelligent approach towards manifestation of positivity has to learnt by kids and taught judiciously by mentors and teachers.

Laugtercizing Week was our endeavour towards achieving the above. We hope to have filled a joyous attitude in our little students.

Celebration of Universal Children's Day!

The students of class 2-A participated in a special class assembly on 20th November 2020, which was conducted in the backdrop of the Universal's Childrens day, an international annual event, with the assembly focussing on the same. One of the main inspirations for this assembly was D.r A.P.J Abdul Kamal, a person who was known to love childen, who inspired all students to pursue their dreams. While the pandemic forced this yearly, coscholastic activity to be done in a online format on Microsoft teams, all the students worked with great enthusiasm, and enjoyed a lot. Every student from the class was asked about their dreams and aspirations, and they dressed up and presented themselves according to what they want to be in the future. Children took a pledge that they would chase their dreams and make it come true. The students performed extremely well, and enjoyed immensely.

Grade 2E Virtual Class Assembly

Assemblies are an important feature of School's routine. They also form a significant part of the school's curriculum. They are a means to create a positive, reflective ethos and promote value-based education. They powerfully nurture the development of intrapersonal intelligence.

On 17th December, the students of class 2E presented their assembly on the topic Obedience. Obedience is an act of spiritual discipline. It helps to build a person's character. Obedience is an essential element of human society. Since childhood all of us are trained to practice obedience. But we must try to adopt obedience in a progressive manner. A person must obey his elders or superiors. Children must obey their parents. Students must obey their teachers. We should remember that obedience is the rule of life and without it life is never complete.

Students came to know about its importance of obedience and its value in their lives. A small skit scripted by the students showed how important it is to obey their parents, elders and teachers in order to become successful. The skit ended with a beautiful song on importance of obedience.

The assembly could not have concluded without a message from our headmistress, Ms. Sheba Thapar, who advised the children to be obedient and more responsible. Indeed, it was a wonderful assembly.

☆ ☆ The Moon has "phases." That means it looks a little different to us each night during its one-month orbit of our planet. We describe how the Moon looks with terms such as "Full Moon," "First Quarter," and "New Moon". More facts about moon were discussed through Oreo cookies activity or Oreo moon phases activity.

Grade two learners enjoyed a bit of edible astronomy with this Oreo moon phases activity. Through this activity learners explored how the moon's shape or moon phases change over the course of the month with a favourite cookie sandwich. They learned the moon phases with this simple moon craft activity and snack.

Children enjoyed making "New Moon" and "Full Moon" by slowly twisting the cookies, separating Oreo cookies while keeping the frosting /cream intact was a fun challenge for them. They made the different phases of the moon by scraping off the cream.

The COVID-19 lockout situation affected people all over the world. Despite all of the disadvantages, the situation offered new experiences, perspective and pushed education advances forward as never before. Something that seemed to be unreal became a worldwide reality within a few days.

'Podtales' - One more feather added to the crown of St. Xavier's High School sec -49.

The lady behind the vision Ms. Sheba Thapar, believes ever since the concerns regarding increase in screen time for kids bothered her, the best idea popped out was turning to podcast as a fun way to engage kids without the screen.

Stories teach us about life, about ourselves and others. Storytelling is a unique way for students to develop an understanding, respect and appreciation for each other, and can promote a positive attitude. It enhances listening skills, public speaking skills, boost self-confidence and the list goes on.

However, with the most challenging and unpredictable time, one must ensure that we learn and educate ourselves in the right way. At the same time equip ourselves with the changing technology.

The idea gave birth to a new concept - 'Xaverian Podtale' - Stories for the Xaverians, and by the Xaverians....

The launch webinar on 12th December 2020 was witnessed by a large number of audiences with Mr. Joshi, as a guest speaker who is an Educationist, Story Teller, Podcaster and Life Skill Trainer.

St. Xavier's High School, sec-49 proudly podcasted its first ever 'Xavierian Podtale-1' on 21st December 2020 on the Topic- 'The Story of Santa Claus' by our first podcaster

I had once raised concern regarding his Hindi, as he loves Swathi ma'am's class, all enthusiastic n independent during all her subjects and used to hide and try to avoid and cry and needed our help for Hindi.

I really appreciate that you have worked on our concerns and I'm really happy to share his progress with you. He is able to read and showing a lot of improvement, he is very independent even in Hindi class now.

Thank you for working on our concerns. It's a big relief to see how he loves to attend the classes and actually misses class when it is over.

Thanks to the wonderful teachers.

Firstly, I would like to thank all the teaching staff, administration and the school committee for providing best of education to our children in tough times. I am highly impressed with Mrs Mukta Narula as the way she teaches. The warmth she has, ensuring each child understands, clearing doubts, managing students without even raising her voice, her presentations, her study material and more over her connection that she has build during these virtual classes is exemplary. During my career and my school I have hardly seen few teachers giving their more than 100%. I want to thank the teacher for her patience and love which she shows during the class. Regards
