

MBS SCHOOL OF PLANNING AND ARCHITECTURE  
SECTOR – 9, DWARKA, NEW DELHI  
GGSIP University

**REPORT ON**

**SITE VISIT**

**Date:** 23.05.2022

**BATCH:** First Year

**Total Students:** 65

**Venue:** Plot No.30, Sector 10, Dwarka, opposite VIS Kids Play School. (Plots for Residential Development)

Site visit was conducted for first year students to analyse the site which is finalised for designing a residential building. Prof. HKG Nambiar, Prof. Bandana Jain, Ar.Jyoti Arora (Batch Coordinator) , Ar. Mahima Sharma (Studio Coordinator) along with Er. Kapil accompanied the students on site.

**Students learning from the site:**

1. Students analysed the orientation of the proposed site and marked the north point for the residential design.
2. Measurements of the site and road widths were taken by the students along with the faculties.
3. Analysed the context and proximity to important landmarks.
4. Connectivity to site via various means of transportation and pedestrian movement
5. The services of the site were studied in detail
6. Gained knowledge from under construction residential sites nearby.
