

# Site Visit : MBS International School

Date: 13th June 2022

Venue: MBS International School

Batch: 2nd year

Report by : Ar. Divesh Wadhwa

## Faculties:

- Prof. D.L. Srivastav, Ar. Jyoti Arora, Ar. Mansha Samreen, Ar. Kriteeka Sharma,

Ar. Divesh Wadhwa

## Learnings:

II Year students of MBS Planning and Architecture visited a construction site of MBS International School, Dwarka Sec - 11, New Delhi under the guidance of Prof. D.L. Srivastav and Er. Ajay Negi.

---

This site visit allowed the students to obtain a better understanding of site conditions and work required, as well as helped to gather quality education.

The visit enhanced the knowledge of the students as they were shown how to apply binding mortar on the wall and also tiles while adding spacers between subsequent tile tiers, as well as mixing sand and cement in a 1:3 ratio making mortar.

Techniques and material were explored on the construction site. Further, Details were sketched out by the teachers on site for clearer vision of the folks present there. Detailed drawings of the guard room were also shown with the concept of the school and the classroom layout.
