performance by 1<sup>st</sup> year students. Through the performance, the students conveyed their respect and regards for all the teachers.

Then a video clipping was shown to all the faculty members, which questioned the standardized methods of learning. It also questioned the methods of testing student's knowledge and urged to modify the existing education system, focusing on enhancing and developing the students inherent abilities. Then another video clipping was shown, which enriched the faculty member's with information about why teacher's day is celebrated and the importance of parents as teachers in everyone's life. The videos encouraged everyone to learn from everyone and showed the importance of a teacher in a student's life.

The event was progressed by a speech from Prof. V.K. Bugga, who encouraged teachers to help and guide students in all spheres of life and support them to improve their expertise, while working towards their interests and inclination. He emphasized on the role of a teacher in molding and shaping student's inherent talents and also talked about an important link that students and teachers share together.

In the end a speech was given by Director Prof. Bijay Dash. He discussed about various aspects of teacher's day. He discussed about role of teacher to inculcate honesty, sincerity, dignity in students. Then he discussed about the intention of the day, which is to respect the teachers fraternity and then he discussed that everyone is a teacher in some way or the other and everyday brings a new lesson to learn. He motivated all the teachers to keep learning and continue to guide the students in various aspects of life.

The session was concluded by inviting all the faculty members for cake cutting and was followed by snacks and tea.
