

Ref. No. MBSSPA/Workshop/2019

22nd October 2019

NOTICE

A **one-day workshop** on “**Parametric design and BIM**” has been organized for the B.Arch. 2nd year students on Wednesday, **23rd October 2019** in the Seminar Hall from 2:00 pm to 5:00 pm.

Considering the requirements of the upcoming software-based designing methods, the workshop aims at imparting awareness of **BIM** software along with making students learn about parametric designing with the help of **Rhino and Grasshopper** software.

This seminar is mandatory for the students of B.Arch. second year. Also, others interested may attend.
