Udaan

Event Date: 31<sup>st</sup> January 2020

Udaan is the Annual fest of giving farewell to the pass out batch of MBS School of Planning and Architecture, (MBS-SPA) Dwarka, New Delhi. This event was organized by the current Fourth year batch (2016-21) and supervised by MBS-SPA Faculty.

*MBS SPA annual college fest.*

The day started with the vibrancy, enthusiasm and delightfulness of meeting their batch-mates again among the students. The campus was full with the liveliness of the students. The event commenced with the graduation speech delivered by the ex-students Dhruv and Charu reminiscing their time in MBS and expressing their gratitude towards the college for their learnings from it.

*Speech delivered by the graduating students.*

After the graduation speeches the students of the theatre society of MBS-SPA presented a satire on the Indian political scenario. The play was full of drama, moments of fun and inspiration for the youth.

After the electrifying dance performances, our beloved faculty Ar. Jyoti Arora addressed the students and gave a heartwarming speech on their energy, passion & hard-work. She congratulated the graduating batch and appreciated the organizing batch for coming together and making the event a success. She also announced the college would now be organizing international tours every year and the first international tour has been planned to go to Dubai.

The next in the event was fashion-show showcasing the creative side of the students. Using the unexpected materials and their creativity the students exuded the confidence on stage during the fashion show and impressed everyone.

*The students exhibited their creativity in the fashion show using bizarre materials to create unconventional dresses and presented them beaming with confidence.*

Also the students were distributed certificates who have helped in organizing the event and special mentions were given to the students and their team for hard-work.

The stage performances ended with the flash mob in the OAT.

The graduating batch were given the titles and later the students played a movie on the student-life of MBS SPA acted & directed by their juniors. The movie was short, funny and represented the witty part of being in the college and enjoying it in every moment.

*Graduating batch with the titles.*

The event came to a vivacious end with the cake cutting ceremony by the ex-students and their juniors. There was enjoyment, spirit and emotions full of happiness, memories and success among the students. It was a conducive event which was not possible without the collaborative efforts of MBS-SPA faculty and the students.
