Matribhasha Diwas (International Mother Language Day) 2020

International Mother Language Day (IMLD) is a worldwide annual observance held on **21 February** to promote awareness of linguistic and cultural diversity and to promote multilingualism. First announced by UNESCO on 17 November 1999, it was formally recognized by the United Nations General Assembly with the adoption of UN resolution 56/262 Multilingualism in 2002.

Languages are the most powerful instruments of preserving and developing our tangible and intangible heritage. All moves to promote the dissemination of mother tongues will serve not only to encourage linguistic diversity and multilingual education but also to develop fuller awareness of linguistic and cultural traditions throughout the world and to inspire solidarity based on understanding, tolerance and dialogue.

Our students participated in the following events on 21st Feb 2020:

1. Essay Writing Competition

There was a huge participation from students as well as from faculty members with variety of creative essay writing and posters, making it really tough for the judges- Director Prof. Bijay Dash & Prof. V.K. Bugga to evaluate the top three entries.
