

## INTER-HOUSE HERITAGE QUIZ

A quiz is a game which can also be called a mind sport. Quizzes inspire the students' desire for research and learning and once the students' mind is set on fire, it tries to find its way to provide its own fuel, thus improving one's general knowledge.

The objective of every school quizzing is to encourage students to look beyond their textual knowledge and establish a relationship between theory and application of the learnt concepts.

Keeping the objective in mind, an inter house Heritage Quiz was conducted by the Social Science department on Dec' 01 ,2017 on Famous structures and monuments of India which included UNESCO world heritage sites, famous palaces of India, archaeological structures of religious importance and historical educational institutions.
