

## Virtual Visit To The Old Fort, Delhi

The Social Science department of Middle School organised a virtual visit to the Old Fort of Delhi on August 19, 2020. The virtual tour was preceded by a pre visit worksheet. The worksheet helped invoke feeling of intrigue and excitement among all students. This was followed by a documentary on the Old Fort of Delhi sponsored by Doordarshan. The virtual tour concluded with a post visit worksheet which many students attempted confidently. This was truly an enriching experience for both teachers and students in equal measure.
