

Happy Raksha Bandhan

A colorful illustration of a young girl and a young boy. The girl, on the left, has brown hair with bangs and is wearing a purple and blue floral top. She is looking down at a small object in her hands. The boy, on the right, has short brown hair and is wearing a green and blue patterned shirt. He is looking down at the same object. They appear to be sitting on a yellow surface, possibly a rug or a bed. The background is a light, textured surface.

“Childhood becomes more fun and life becomes a lot easier when you have a brother by your side.” “The festival of Raksha Bandhan is all about telling your brother/ sister that they are very special.”

Raksha Bandhan, also **Raksha bandhan**, is a popular, traditionally Hindu, annual rite, or ceremony, which is central to a festival of the same name, celebrated in India, Nepal and other parts of the Indian subcontinent, and among people around the world influenced by Hindu culture. On this day, sisters of all ages tie a talisman, or amulet, called the rakhi, around the wrists of their brothers, symbolically protecting them, receiving a gift in return, and traditionally investing the brothers with a share of the responsibility of their potential care.

Happy
Rakhi

A brother shares
childhood
memories and
grown up dreams.

*A brother is a friend
God gave you,
a friend is a brother
your heart choose for you.*

Rakhi

is a thread that binds
two souls in a bond of
joy forever...

And today i'm remembering with joy...
the special tie we share and
wishing you happiness and
good luck always...

Within this small interval of time
you become part of my life.
As my dearest friend,
as my loving sister
to share everything.
My heart full
rakhi wishes to you...
With lots of love
