

PRINCIPAL'S MESSAGE

The role of a school is not only to pursue academic excellence but also to motivate & empower its students to be lifelong learners and productive members of the global society. We, at

Greenway, want all our students to experience success and a steady growth in academic and co-curricular achievements. We are constantly striving to improve our teaching methodology so that it turns learning into combination of E- classroom study, research and discovery.

Our constant endeavours have brought us many achievements. Greenway successfully held its first Intra MUN tournament, organized the 'Freedom Fest-Samarpan' and broadcasted it live for our parents, constructed our Online English Club and so on and so forth.

I thank all the parents for their constant support that empowers us to do more and more.

My best wishes to the entire team for this second edition of Greenway Times.

I am confident enough that Greenwanians will keep making themselves stronger day by day, adding a new leaf to the grandeur of the school.

Stay home, stay safe!

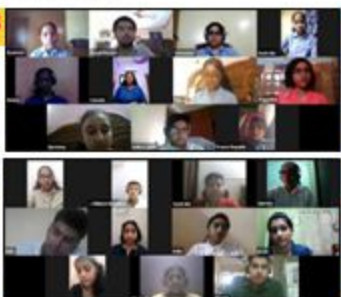

Mohit Sachdeva
(Principal)

Grabbing the opportunities:

The Intra MUN

An opportunity knocked on the gates of Greenwanians when they were given a chance to participate in the school's first Intra Model United Nations which was conducted in collaboration with Concord Collective. More than 100 enthusiastic students took part in it to turn it into a great success. The four day event comprised of The Orientation on 4th August, Training on 7th August, Competition on 8th and 9th and finally the felicitation ceremony on 9th August. The students gained a priceless experience while learning through professionals about polishing their lobbying, researching and debating skills. Mr. KG Suresh, Founder Dean, School of Modern Media UPES, Dehradun graced the felicitation ceremony by his presence. An open mic was also organized on 9th August in which many students came forward to showcase their talent. All the participants were given participation certificates

SCHOOL TOPPERS

A little progress each day adds up to big result. Like every year, the brilliant students of Greenway Modern School have made the school proud with **100% result** in class Xlth. **54 students** have scored more than **90%**. **Pragya Pal (Humanities stream)** bagged the title of school topper with **97.8%**. Sarthak Mittal became the topper of Commerce stream with 97.4% and Sameeksha, the Science topper scored 97.2%. Two students scored perfect hundred, namely Prottush Das and Ananya Nair in Mathematics and Psychology respectively. Despite of all the adversities, all the students outdid themselves and helped making it a great achievement for the school. Their hardwork did not go unappreciated in the eyes of the Principal, Mr Mohit Sachdeva and he congratulated all the students, parents and teachers.

Greenway's Pride

Every student aspires to reach his goal, but a few work towards achieving it. The students of Greenway Modern School have transformed their dreams into success by accomplishing **100% result in class Xth**. **Saema Haider & Yanshi Sharma** topped the school with **99.2%**. The second position is shared by Khushi Chaudhary & Nayan Kotnala who scored 98% and the third toppers Aman Bhardwaj and Kislay Kumar scored 97.6%.

Many students went on to score perfect hundred in English and Mathematics. A total of 8 students topped in science with 99% and two students topped in Social Science with 98%. 31 students scored 95% in aggregate and 82 students scored 90% and above in aggregate. These Greenwanians worked with all their zeal and zest to help the school achieve this remarkable result. This exceptional success was appreciated by the Principal, Mr Mohit Sachdeva wherein he praised the efforts of students.

"I can spread my wings: Samarpan"

More than seven decades ago, India freed itself from the chains of slavery and breathe in the air of freedom. To mark the 73rd anniversary of our victory against enslavement, Greenway Modern School organized its Freedom Fest-Samarpan.

The freedom fest not only gave a chance to the students to showcase their patriotism through various activities namely 'Walk of Legacy', 'Dusk to Dawn', 'A Soldier's Dream', 'Satat, Sashakt, Nirbhik' but also made them honour the sacrifices of our valiant freedom fighters. The fest was graced by the blessings of some eminent dignitaries.

The Principal, Mr. Mohit Sachdeva unfurled the National Flag in the Flag Hosting Ceremony and paid a tribute to the brave souls who fought for the country.

Genesis of Ideas: A peek Into ATL

The world may have come to a stop, but the genius minds of Greenway never cease to innovate. The ATL (Atal Tinkering Lab) team of Greenway Modern School organized an 'Idea Competition' for these young thinkers to propose solutions for everyday problems. The competition uncovered a flood of ideas with more than 40 ideas being submitted out of which 5 best ideas found their place on the ATL (Atal Tinkering Lab) Wall of Fame and were shared with ATL (Atal Tinkering Lab) Innovation Mission, Director Dr. Ramanan who complimented and congratulated the brilliant minds at work.

An oath to make this world a better place to live in

The students of Greenway Modern School understand the importance of saving the Earth from the atrocities of man. To take this vision forward, the NCC and

Greenway's cadets actively participated in the Tree Plantation Pakhwada. The 20 cadets of the school undertook the responsibility to make the environment a greener place by planting

seedlings. They also composed poems and made slogans and posters to spread awareness about our duty towards our planet and how we can be a part of this drive.

The Literary Circle

No dam can obstruct the waves of creativity. Even in these unprecedented times, the teachers and students of Greenway Modern School are working closely to share their ideas and change the perception of online learning. The school's English Club organized various events to brush up the artistic flair of the students. It not only helped the students to showcase their innovative skills by making short videos through the event 'Extending a Helping Hand' but also stirred debates on various vital issues through 'Newsroom Debate'. All these activities boosted confidence of these intellects and the enthusiasm shown by them was remarkable.

GMS CONDUCTED A WEBINAR LIVE ON FACEBOOK

'PARENTING IN CHALLENGING TIMES'

On 31 August 2020, GMS in collaboration with Pearson India Education Services Pvt. Ltd. organized a webinar conducted live on School's facebook on the topic Parenting in Challenging Times.

Dr. Geetanjali Kumar, a renowned psychologist, was the speaker of the webinar who provided the parents, students and teachers with many remedies to cope with the prevailing situations. The challenges that parents face these days with their children, how to encourage them and motivate them to be an active part of household chores, how to remove the communication gap developed in between teachers and students, how to strengthen the bond shared by parents and their children, etc., all these were appropriately answered by Dr. Geetanjali Kumar in the session.

Dr. Geetanjali also focussed on how to deal with the examination stress and ways to deal any sort of stress, anxiety or depression and also gave various parenting tips to the parents and how to deal with teenagers. She also addressed the queries of the parents dropped by the parents in the webinar and answered all with a remedy. It was an absolutely enriching and informative experience for all.

A glimpse through the month

- A hygiene and healthcare workshop was organized to advocate girls about the importance of hygiene during periods.
- Students attended a webinar which stressed on the importance of emotional intelligence in these uncertain times.
- Time to time the teachers and students are attending various workshops to enrich their knowledge.
- Mithali Upadhyaya of class 12 won the first position in a writing competition.
- Two students of class 12 participated in the Commerce Fest organized by GD Goenka and Lovely Public School and brought laurels by winning cash prize and certificate.
- A virtual workshop on "coding and its future" was organized wherein students were introduced to world of coding and programming careers.
- The Primary wing organized an Intra School Competition to help the budding talents identify their passion.
- A webinar on creative writing was organized wherein various aspects of creative writing were delved into by the students.
- Students of classes 6, 7 and 8 were introduced to the working of Scratch in a webinar wherein the students learnt how to present their work in an impressive way.

Hear the Trumpets: A Ride Through the Celebrations

- The 6th International Yoga Day was observed by the students who attended a live session organized by Fit India Movement.

- To acknowledge every father's efforts, students celebrated Father's Day by taking part in various activities.

The students took part in the 'Say No to Tobacco' drive and made various posters and slogans to cognize its harmful effects.

- The bond of love and support between siblings was edified as students took part in Rakhi making, poster making and other activities on the occasion of Raksha Bandhan.

GMS CELEBRATED TEACHERS DAY

A good teacher can ignite the imagination, inspire hope & instil a love for learning in a child. Teachers' day is celebrated on different days in various countries. In India, teachers' day is celebrated on 5th September every year, which is the birth anniversary of Dr Sarvepalli Radhakrishnan, the second president of India and a staunch educationist.

On 5th September 2020, GMS commemorated Teachers Day. The students showed their

gratitude towards their teachers by sending them wishes & greetings & messages with love & affection. The management and the principal sent their special Virtual wishes to the entire staff. The students of class XII 2020-21 batch, paid a tribute to each and every teacher and saluted their efforts by creating a video for them and expressing how they miss them.
