PRINCIPAL'S MESSAGE

"Education breeds confidence. Confidence breeds hope. Hope breeds peace."

The world today is changing at such an accelerated rate where we as educators need to pause and reflect on this entire system of education. With the changing demand of times, Greenway has also fostered the best education and nourished its students.

Darpan, our school magazine, piques the imagination of our learners. I congratulate the staff and students who used various mediums of expression to present their ideas.

Greenwanians are resilient, creative, imaginative, dedicated to lifelong learning and ethical. They are the future leaders and role models of society. I wish them all the best for the upcoming endeavors.

*Mohit Sachdeva

Anubhav Anand of 9th B got first position in quiz competition and Siddhima Bali of 9th C got first position in the Dance Competition.

* Delhi Police had organized a Traffic quiz. Near about 500 students from various schools participated in this competition. Anubhav Anand (9th) of Greenway qualified for the state level.

ATL Innovative Session

An online innovative session was conducted through ATL. It was a very informative session in which Mr. Ramanan (Mission Director, AIM) along with the guest speakers, Dr Rama Vaidyanathan (RMO Tamil Nadu) and Mrs Baghyalakshmi (ATL in-charge, Jaigopal Garodia Govt Girls HSS Choolaimedu, Chennai) motivated the participants on how they can create interest in the students and the parameters to do so.

Intriguing session on space exploration-

Many students of Greenway Modern School joined an intriguing session on Space exploration which was a part of ATL conducted by Niti Aayog and Space Kidz organization along with special speakers, Mr. Ramanathan, Dr. Srimathy Kesan [CEO, Space Kidz], Mr. Rifath Shaarook [CTO, Space Kidz] & Mr. Ronak Jogeshwar. They motivated the students towards the making of satellites and shared their wonderful experience while creating the world's SMALLEST satellite - KalamSAT1. The session ended with a really inspiring note that 'Curiosity is the essence of our existence'.

Plezmo Workshop (Programming need of everyday life)-

The students of Greenway Modern School participated in a five day seminar conducted by Plezmo, where the students were taught to build a user friendly app. The main motto of the seminar was to teach the students the power of programming and Data Analytics. This was a great experience for the students as they witnessed the life of a programmer.

GROUND BREAKING COMPETITION RESULT - ATL

Our school ATL has organized an IDEA COMPETITION in which students submitted their creative & innovative ideas to solve their daily life problems related to different fields like education, health & hygiene, waste management, etc. The school congratulates all participants for their diligent and determined hard work as it gives us immense pleasure to announce that more than 40 ideas have been received, such enthusiasm and positive response for Idea Competition.

The Ideas were evaluated by a panel of experienced members on the basis of content, novelty, feasibility, Practicability, sustainability & future prospects. All the ideas were appreciated as the thinking of each student was different from that of others. School has decided to put the first two ideas at the fame wall of ATL of Niti Aayog, nts and the winners.

WORD OF APPRECIATION FROM ATAL INNOVATION MISSION DIRECTOR

Hard work makes a huge difference in ensuring the learning and growth of our students and staff..with this thought even in this pandemic time ATL team members of the school took an initiative to organize an Intra School Competition wherein the students came up with innovative ideas and the best 5 ideas were put in AIM, ATL WALL PAGE and the students' ideas were appreciated by ATL INNOVATION MISSION DIRECTOR, DR. RAMMANATHAN..

INNOVISION

Greenway organized an interschool competition- Innovision an amalgamation of Intelligence and Innovation. Near about 12 schools participated in these 13 events. The students participated energetically with full enthusiasm. Their innovations and imaginations were highly praiseworthy. The judges of the events were-

*Ms. Mrinalini (Disciple of famous Dancer, Ms. Shovana Narayan)

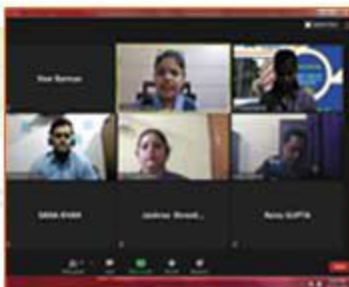

*Ms. Suchitra Nair (Associated with St. Paul School)

*Mr. Dinesh Malik (Education Officer 'D' National Science Centre, Delhi)

*Ms. Jyotsna (Theatre artist from NSD)

*Mr. Lucky Puchrat

*Dr. Deepak Joshi (Asst. Prof. Centre for Bio-Med. Engg. IIT & Dept. of Bio- Medical Engg. AIIMS New Delhi)

The Principal of the school, Mr. Mohit Sachdeva, appreciated the organizers, students for taking such an initiative during this pandemic. It was a wonderful moment to be remembered and to be cherished. Greenway school bagged a position in 8 events.

Model United Nation (MUN)

MUN is an educational stimulation of UN in which students can learn about diplomacy, international relations, foreign policy and the role of United Nations. It educates the students in the intricacies of modern day governance in the global context.

An opportunity knocked on the gates of Greenwanians when they were given a chance to participate in the school's first Intra Model United Nations which was

conducted in collaboration with Concord Collective. More than 100 enthusiastic students took part in it to turn it into a great success. The four day event comprised of The Orientation on 4th August, Training on 7th August, Competition on 8th and 9th and finally the felicitation ceremony on 9th August. The students gained a priceless experience while learning through professionals about polishing their lobbying, researching and debating skills. Mr. KG Suresh, Founder Dean, School of Modern Media UPES, Dehradun graced the felicitation ceremony by his presence. An open mic was also organized on 9th August in which many students came forward to showcase their talent further the school also organized INTER SCHOOL MUN Competition, wherein 8 schools participated and our school bagged 5 positions. All the participants were given participation certificates.

The names of the winners are- Vaibhav Srivastava (10th), Nupur Bubna (9th), Divyansha (12th), Rakshit (10th) and Deveshi Kaita (8th). This event helped them in polishing their writing, researching and debating skills. It also enhanced their critical thinking, teamwork and their leadership abilities.

INDO- RUSSIAN CULTURAL EXCHANGE PROGRAMME

It is rightly said that "Where there is a will, there is a way". This is proved by Greenwanians by not losing hope and apart from academics & activities conducting the online exchange programme successfully.

Greenwanians adopted a new approach wherein the school did online exchange with St. Petersburg School No. 349 Russia. The Students discussed History, Music, Dance, Art, Education, food and various aspects of their countries. This exchange not only enhanced the culture and heritage of both the countries but created a bond between both the countries

*"Ties between two countries are ,
literally unbreakable."*

Celebrations

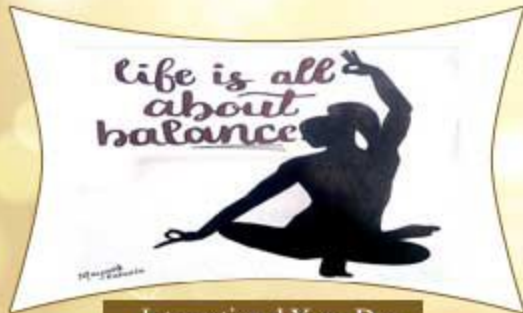

Greenwanians showed their spirit and enthusiasm by celebrating all the important festival and days with great fervour.

6. Strong Password
7. 2 factor authentication

A workshop was organized for class 9th students on Adolescence issues & Harmful effects of social media. Ms Jayshree Mehta was the resource person. The students got to know about the positive and negative effects of social media. She even discussed that how can we get rid of the negative effects like profile hacking, image morphing, etc

Hygiene and health care workshop-

On 27th June, a virtual workshop was organized for the girls of class VI and VII. Ms. Bhawna, the resource person spoke about the importance of Hygiene

Workshop on Road Safety Rules-

A workshop on Road Safety Rules on 16th September 2020. It was conducted by ASI Ramveer Sharma & Mr Ajay Kumar from the Delhi Traffic Police. They enlightened the students about the traffic rules & stated the Dos & Don'ts of road safety through a Ppt, making the session lively & interesting.

Webinar on Listening & Creative Writing Skills-

A webinar on listening and creative writing skills was organized, the speaker emphasized on listening rather than just hearing. He also explained the students how it helps in their all-over growth in personality and success in life and enlightened the students about various traits of a good writer.

Webinar on Scratch-

A webinar on Scratch was conducted by Kips for the students of classes 6, 7 and 8. The resource person was Ms Jatinder. The webinar was a kaleidoscope of opinions, thoughts, ideas and perspective that enhanced the knowledge and understanding of the students.

Webinar with Sony Yay!

An exciting and fun session with Sony Yay was organized by our school for all the students of classes III to V to make them have some fun and learning with their favourite Sony Yay toons.

A virtual webinar workshop on Codeathon by Hindustan Times-

A virtual webinar was organized for the students from class VI TO IX by Hindustan Times Team. The aim of this workshop was to boost the coding skills in school students and to give information about the programming careers.

Open P-Tech Webinar-

The students of class IX to XI of GMS got an opportunity to attend a webinar organized by the team of IBM Open P-Tech Programme wherein the students learnt about AI and its uses in different fields. The professional mentors taught the students how to go with the courses of the programme and complete them to get e-badges and e-certificates. It was an open platform for the students to interact and get answers to their queries and doubts related to the programme. Overall, it was a highly informative session.

Workshop on E-Waste Management-

A workshop on E-waste management was organized by the ministry of electronics and information technology of the Government of India 'KARO'. In the workshop, the knowledge about how one can reduce E-waste by recycling was articulated -

Greenway teachers attended IPN-

Primary & Secondary Maths teachers of Greenway Modern School earned an opportunity to be a part of a Maths Seminar held online. The webinar was conducted by Mr Sreehari Kulur, wherein the maths faculties of the school learnt about online teaching techniques for primary and secondary level students. The session made the teachers know about the interesting ways of teaching mathematics. Overall it was a good experience for all the teachers.

Figure 1 shows a 10x10 grid representing a 100% grid. The grid is divided into four 5x5 quadrants. The top-left quadrant is shaded gray. The top-right quadrant contains a 5x5 grid of small squares, each labeled with a number from 1 to 25. The bottom-left quadrant contains a 5x5 grid of small squares, each labeled with a number from 26 to 50. The bottom-right quadrant contains a 5x5 grid of small squares, each labeled with a number from 51 to 75. The numbers are arranged in a specific pattern, likely representing a sequence or a specific data set.

A Special gratitude to the Principal of the school by Korean Ambassador.

On the occasion of retirement of Mr. Kim Kum Pyoung, Director Korean Cultural Centre, his excellency Mr. Shim Bong-Kil invited the Principal of school at the embassy of Korea to introduce the new director of Korean Cultural Centre, Mr. Hwang Il Young, A proud moment for the school.
